That the probationary drivers update dated 1991 December 10 be received for information.

6. 1992 Establishment and Mobile Licence Approvals

The Committee was in receipt of a report from the Manager of the Licence Division dated 1991 December 11 with regard to 1992 establishment and mobile licence approvals and **AGREED** as follows:

That the 1992 Licence Register dated December 02, 1991 containing 3,627 Establishment Licences and 2,735 Mobile Licences be authorized for renewal for 1992.

7. Show Cause Hearings

The Committee then retired in camera to hold show cause hearings and subsequently **AGREED** as follows:

- (a) That the Cab Driver Application of Mark J. Roberts, 1220 Upper Wentworth Street #117, Hamilton, L9A 4W2 be **GRANTED FOR A SIX-MONTH PROBATIONARY PERIOD**.
- (b) That the Cab Driver Application of Paul Bergie, 155 Market Street #208, Hamilton, L8R 3H5 be **DENIED** on the grounds of the applicant's extensive criminal and driving record.

8. Committee Reconvenes

The Committee then reconvened in open session.

9. Taxi Cab Priority List Appeals

The Committee heard the following taxi cab priority list appeals:

- (a) Michele Gilmour - 21 Lorne Avenue, Hamilton, L8M 2X5

Mr. Child declared a conflict of interest and refrained from discussion and voting in this matter.

Michele Gilmour attended and requested an adjournment in order to retain Counsel.

The Committee agreed to grant the request for an adjournment.

**(b) Leonard A. Siemko - Box 249, Clarksburg, Ontario, N0H 1J0**

Mr. Siemko attended and requested an adjournment in order for his Counsel to research his case.

The Committee agreed to grant an adjournment in this matter.

**(c) Frederick L. Neale - 201 Rosslyn Avenue North, Hamilton, L8L 7P8**

Mr. Doug Rose, a City Licence Inspector, gave the background to revisions made to the taxi cab priority list by City Council and subsequent procedures followed by the Licensing Division. He submitted a copy of City of Hamilton Taxicab By-law 89-249 adopted by City Council on August 29, 1989 as amended by By-law 89-316 adopted by City Council on October 31, 1989 as exhibit '1'.

Mr. Rose informed the Committee that in July, 1989, the City had adopted the priority list which contained the name of Frederick Neale. In 1989 Mr. Neale had been sent a copy of the By-law and a reminder notice on August 13, 1990. Mr. Neale had paid the renewal fees in 1990, however, despite a notice being sent in 1991, Mr. Neale had failed to renew his name on the list prior to the deadline.

Mr. Neale attended and submitted that he had been on the priority list for a long time and that in the past had made his payment on time. He said that at the time the 1991 renewal was due he had experienced financial difficulties and had been unable to pay the fee. Mr. Neale advised the Committee that he had been in a substance abuse programme from which he had since recovered and at the time of the renewal was on welfare. He said he eventually borrowed \$50.00 to pay the renewal fee but that he was 4 days late.

In response to a question from the Chairman as to why he had not attended at the counter to ask for an extension, Mr. Neale said he had been advised that no provision had existed for financial hardship.

The Committee was advised that Mr. Neale presently leased a taxi plate and for the 3 1/2 years prior to which he had been a driver on a 60/40 basis.

The Committee agreed to take the matter under advisement and adjourned to deliberate.

Reconvening in open session, Mr. Rose made his submission that the application for reinstatement be denied on the grounds that Mr. Neale failed to renew his name on the taxicab priority list within the required time and failed to provide adequate reason for not doing so. He said Mr. Neale had been provided with ample notice by mail that it was his responsibility to renew his name on the list and the fact that he could not make the payment was not a concern of the City. He submitted that if Mr. Neale wished to remain on the list he should abide by the rules and that it

would be unfair to other people to allow Mr. Neale's appeal and that if the integrity of the list was to be maintained, the appeal should be denied.

In response to a question, the Committee was advised that approximately 50 people had been taken off the list, of which approximately 6 had appealed.

The Chairman then advised the applicant that the Committee was prepared to go to a formal hearing at which time they would require provision of documentary evidence with regard to Mr. Neale's personal financial situation at the renewal period and of his attendance at the substance abuse programme. The Chairman also suggested that Mr. Neale might wish to consider having legal counsel represent him. A hearing is to be scheduled in the new year at a time convenient for Mr. Neale.

**(d) Craig Chudyk - 135 Central Drive, Ancaster, L9G 2A3**

Mr. Chudyk attended and made his submission that he failed to renew his name on the taxicab priority list by the 1991 September 30 deadline because his courtesy reminder letter had been delayed in the mail.

The Committee considered Mr. Chudyk's appeal and noted that the reminder letter was sent as a courtesy only and that it was the applicant's responsibility to renew his name on the list as provided for in the By-law 89-249. It was also noted that Mr. Chudyk had renewed his name on the list within the required time period and paid the fee in the previous year.

The Licensing Committee concluded that the applicant had knowledge of the date for renewal on the taxicab priority list and simply forgot to renew.

The Committee did not consider Mr. Chudyk's submission to be adequate justification to remain on the taxicab priority list and therefore made the following recommendation:

That the appeal by Mr. Craig Chudyk, 135 Central Drive, Ancaster, L9G 2A3, to remain on the taxicab priority list be denied.

At this point Mr. Child left the meeting.

**(e) Faye Shedletsky - 18 Creekwood Place, Dundas, L9H 6S9**

Mr. Henry Shedletsky attended on behalf of his daughter who was attending university.

Mr. Rose, on behalf of the City, expressed concern that Faye Shedletsky was not in attendance and had never been involved in the cab industry and suggested that the hearing be adjourned until Fay Shedletsky could be in attendance.

Mr. Shedletsky said his daughter had been involved in the cab industry by looking after drivers' scheduling, etc., before going back to university.

The Chairman agreed that Faye Shedletsky should be in attendance to speak on her own behalf. He said he was not prepared to hear Mr. Shedletsky on his daughter's

behalf but was prepared to hold a hearing over until Faye Shedletsky was available to attend.

The Committee therefore agreed that the hearing into the taxicab priority list appeal by Faye Shedletsky be adjourned until Faye Shedletsky could be in attendance.

(f) **Grant Inouye - 81 Charlton Avenue East #12, Hamilton, L8N 1Y7**

Mr. Inouye was in attendance and made his submission that he had not received notice of the requirement to pay a fee and to renew his name on the taxicab priority list for either 1990 or 1991.

The Committee was advised that letters had been sent to Mr. Inouye but that he had changed his address and failed to notify the Licence Division of such change. When Mr. Inouye eventually notified the City of his change of address a courtesy reminder was sent to him which Mr. Inouye said he never received.

After consideration, the Committee made the following recommendation on the grounds that Mr. Inouye did not take appropriate action to advise the Licence Division of his change of address, that over a year had elapsed since the initial renewal date, and that Mr. Inouye did not update his address with the City despite the fact that he had maintained an ongoing relationship with the City of Hamilton as a taxi plate owner.

The Committee agreed that the appeal by Grant Inouye, 81 Charlton Avenue East #12, Hamilton for reinstatement on the taxicab priority list be denied.

10. **1992 Meeting Schedule**

The Committee was in receipt of a proposed schedule of licensing meetings for 1992.

The Committee approved the list subject to confirmation with appointment secretaries as follows:

Wednesday, January 15	Wednesday, June 10
Wednesday, February 12	Wednesday, August 12
Wednesday, March 11	Wednesday, September 09
Wednesday, April 08	Wednesday, October 14
Wednesday, May 13	Wednesday, November 11
	Wednesday, December 09

11. **Sons of Italy (Hamilton) Charitable Corporation**

The Committee was in receipt of a report from the Manager of the Licence Division dated 1991 December 11 with regard to Sons of Italy (Hamilton) Charitable Corporation.

The Committee **AGREED** as follows:

That approval be given to the issuance of Provincial Licences to the Sons of Italy (Hamilton) Charitable Corporation to manage and conduct a Blackjack Tournament, Nevada Ticket Lottery and Monte Carlo Event on February 27, 28 and 29, 1992 at the Hamilton Convention Centre.

**12. Provincial Lottery Regulations**

The Licence Division Manager advised the Committee of some ambiguity with regard to the way the Provincial regulations with regard to bingo organizations should be enforced. He requested permission to send a letter to bingo organizations with regard to the Licensing Committee's interpretation of the provincial regulations.

The Chairman suggested that a letter be circulated to members of the Licensing Committee and, subject to the approval of the Licensing Committee, this could be sent to bingo organizations.

**13. Adjournment**

There being no further business, the meeting then adjourned.

Taken as read and approved.

4. Probationary Drivers Update

The Committee was in receipt of a private and confidential report from the Manager of the Licence Division dated 1992 February 05 giving an update on the Probationary Licence Issuance.

The Committee **AGREED** as follows:

That the Probationary Licence Update dated 1992 February 05 from the Manager of the Licence Division be received for information.

5. Break Open Tickets

The Committee was in receipt of two reports dated 1992 February 06 from the Manager of the Licence Division with regard to Break Open Tickets (Nevada).

Representatives of the Big Brothers Association and the C.N.I.B., who were the 2 groups to run the pilot project, were in attendance and the Licence Division Manager thanked them for their co-operation during this pilot project. The Licence Division Manager said staff were recommending that an additional six month pilot project be approved. Staff Inspector Harvey Hicks of the Hamilton-Wentworth Regional Police Department attended and advised the Committee that this scheme had the potential to be very big.

The Chairman said the Committee would have to give consideration to how these applications would be dealt with, the basis for decisions, etc. The control of the break open tickets was then discussed and subsequent action to be taken in the event of a breach.

After consideration the Committee **AGREED** as follows:

- 1.(a) That the Licensing Committee of the City of Hamilton, be authorized to issue municipal licences for the sale of break open tickets for a 6-month trial period, notwithstanding the Lotteries By-law, based on the exemptions provided in the letter, dated March 6th, 1987 and directed to municipal councils, from the Minister responsible for charitable gaming, so long as those exemptions continue to exist, and upon the following conditions:

(i) Except for Provincial Terms and Conditions 3, 4b, and 17b mentioned in the Minister's letter, that applicants for licences comply with all applicable laws and provisions of the Lotteries By-law.

(ii) That licence applicants, requesting exemption to Terms and Conditions 3, 4(b) and 17(b) as part of their application:

(a) file proof satisfactory to the Licensing Committee that the applicant either does not own or regularly occupy premises, or that the premises owned or occupied are impractical for the sale of tickets;

(b) file the signed written consent of the owner or occupier of the premises to be used for the sale of tickets, allowing the sale of tickets for the term of the licence;

(c) file the account number, bank name and branch of the lottery account, and the full names and home addresses of signing officers for the account, specifying whether withdrawals may be made on their signature alone, or with the signatures of other officers;

(d) file a statutory declaration of the applicant, on the form provided by the Licence Division, specifying that no direct or indirect payment is or will be made for the use of premises, property and services involved in the sale of tickets, or otherwise, to the owner or occupier of the premises from which tickets will be sold;

(e) file the statutory declaration of the owner or occupier of the premises from which tickets will be sold, on the form provided by the Licence Division, that no direct or indirect payment has been made, requested or promised from the licence applicant for the use of premises, property and services involved in the sale of tickets, or otherwise, and that no deduction will be made from the proceeds of the lottery when turning over such proceeds to the licence holder, save for cash prizes paid out to winners;

(f) file the signed written approval of the designated member in charge, that they have reviewed the security for tickets and money, and the requirements for the sale of tickets with the owner or occupier of the premises to be used, and have found them satisfactory and responsible;

(g) file sufficient information to allow the Licensing Committee to identify the location for sale of tickets, the placement of the container holding tickets while it is being used for ticket sales, and for the Licensing Committee to approve the location and placement as suitable for the sale of tickets based on security and appropriateness for a lottery.

(iii) That the licence holder file the signed written right of access of the manufacturer and distributor of the tickets to be sold, prior to the sale of any tickets.

(iv) That, in addition to their regular duties, the person or persons designated to be in charge of the lottery undertake to, on a weekly basis:

(a) attend at the commercial or third party location authorized, to pick up the receipts from boxes of tickets sold, and make a record of a reconciliation of the inventory of tickets, and the receipts, with boxes of tickets sold (for this purpose the seller shall not have more than one box of tickets in the jar for sale at any one time);

- (b) make an immediate deposit of the receipts obtained under (a);
  - (c) review the measures being made for the security for tickets and money from the lottery, and take any necessary steps to ensure the receipts from the lottery are obtained and can be applied to the charitable objects listed in the licence.
- (v) That, in addition to their regular duties, the person or persons designated to be in charge of the lottery shall undertake to:
- (a) produce to the Licence Division, on a monthly basis, the updated bank book for the lottery account, and copies of the reconciliations from (iv)(a) above for the previous month, and cheques for any withdrawals from the account with the reason for the withdrawal noted thereon, and information on the number and location of all boxes of tickets;
  - (b) advise the police and the Licence Division of the City, immediately upon the discovery of any shortfall of money or tickets by reason of suspected loss or theft;
  - (c) maintain records of the reconciliations for at least four years after the licence has expired.
- (vi) To ensure the separation of funds, not more than 1 licence shall be issued for a location at one time, and for the purposes of clarity, a location shall be deemed to be the entire commercial or third party location under the control of the owner or occupier.
- (vii) That as part of the approval process, a licence inspector be designated to attend at the premises to be used for sales, to review with the owner or occupier, the relationship with the licence holder, the applicable terms and conditions, the declaration which has been provided by the owner or occupier, and to assist with questions on the required method of selling tickets.
- (viii) That no person or organization shall receive any remuneration for selling tickets.
- (ix) That if any terms and conditions are violated, the licence be recommended for suspension or revocation.
- (b) That the Licence Division report back to the Licensing Committee following the 6-month Trial Period, with the results of the trial licences issued within that period, and make recommendations on the success of the trial and any proposed amendments to the lotteries by-law.
- 2.(a) That the Big Brother Association of Burlington and Hamilton-Wentworth Inc. and Temple Anshe Sholom be granted licences for the sale of break open tickets for a six month probationary period commencing 1992 March 01.
- (b) That a declaration satisfactory to the Law Department along with compliance with all requirements outlining the new six month trial programme will be required.
3. That the Hamilton Y.M.C.A. be granted a six month Nevada Ticket Licence.

**6. Show Cause Hearings**

At this point the Committee retired in camera to hold show cause hearings and subsequently AGREED as follows:

- (a) That the Cab Driver Licence application of Maher Abusamra be GRANTED FOR A THREE-MONTH PROBATIONARY PERIOD.
- (b) That the Cab Driver Licence application of Jeffrey Owen be GRANTED FOR A ONE YEAR PROBATIONARY PERIOD.
- (c) That the Cab Driver Licence renewal application of Steven Rowe be DENIED FOR A THREE MONTH PERIOD to commence 1992 February 25 following which Mr. Rowe can re-apply.
- (d) That the Cab Driver Licence renewal application of Russell Rizzo be GRANTED FOR A SIX-MONTH PROBATIONARY PERIOD.
- (e) That the Cab Driver Licence renewal application of Joe Townsend be GRANTED FOR A SIX-MONTH PROBATIONARY PERIOD.
- (f) That the Cab Driver Licence renewal application of Peter F. MacKenzie be GRANTED FOR A SIX-MONTH PROBATIONARY PERIOD.
- (g) That the Cab Driver Licence renewal application of Mark Katalinich be GRANTED FOR A SIX-MONTH PROBATIONARY PERIOD.
- (h) That the Cab Driver Licence renewal application of Mohammad Ahmed be DENIED FOR A THREE-MONTH PERIOD to commence 1992 February 25 following which Mr. Ahmed may re-apply.
- (i) That the Cab Driver Licence renewal application of Behnam Saadat be GRANTED FOR A THREE-MONTH PROBATIONARY PERIOD.
- (j) That a formal hearing be scheduled for the Cab Driver Licence application of Tony R. Ritchie at which time a medical certificate will be required certifying that Mr. Ritchie is medically fit to drive a cab.
- (k) That the Cab Driver Licence renewal application of Donna Brooks be GRANTED FOR A SIX-MONTH PROBATIONARY PERIOD.
- (l) That a formal hearing be scheduled for the Cab Driver Licence application of John Steele at which time the Committee will require some certification as to Mr. Steele's character together with a criminal reference check during the time Mr. Steele spent in the United States.

**7. Committee Reconvenes**

The Committee then reconvened in open session.

8. Taxi Cab Priority List Appeals

(a) **Leonard A. Siemko**

Mr. Siemko attended together with his legal representative, Mr. Manfred Rudolph and submitted that he failed to renew his name on the Taxi Cab Priority List by the 1991 September 30th deadline because he had not received his courtesy reminder letter. Mr. Siemko submitted a letter from Canada Post Corporation confirming that there had been a mail disruption between 1991 August 22 and September 20.

The Committee considered Mr. Siemko's appeal and noted that the reminder letter was sent as a courtesy only and it was the applicant's responsibility to renew his name on the list as provided for in the By-law 89-249.

It was also noted that Mr. Siemko had knowledge of the requirement to renew having received the registered letter from the City in 1989 advising of this requirement and had in fact renewed his name on the list in 1990.

The Committee therefore recommended that the appeal of Mr. Siemko be denied on the grounds that the Committee was not satisfied that there were compelling reasons presented for Mr. Siemko's re-instatement on the Taxi Cab Priority List.

(b) **Faye Shedletsky**

Mr. Henry Shedletsky attended on behalf of, and in the absence of, his daughter Faye Shedletsky. The Committee **AGREED** as follows:

That the hearing of Faye Shedletsky's Taxi Cab Priority List appeal be adjourned and re-scheduled, at which time Ms. Shedletsky is to be in attendance.

Alderman Drury gave notice that he would be lifting this matter from the table at the next Licensing meeting and the Committee directed that a notice be sent to Faye Shedletsky of the hearing, by registered mail. Mr. Dean Barrow is also to be in attendance at this hearing as Mr. Shedletsky intends to call him as a witness.

(c) **Michele Gilmour**

Ms. Gilmour attended together with her legal representative Mr. Manfred Rudolph. Ms. Gilmour made her submission that although she was aware of the \$50.00 requirement to keep her name on the list, she had confused the deadline and thought it was December 31, 1991. Ms. Gilmour said she was in hospital in September and again in December, 1991 and had been recovering from surgery during that time period. She submitted a letter from her doctor which was introduced as Exhibit 'A' together with nurses charts to back up her submission that she was under medical care, which were introduced as Exhibits 'B' and 'C'.

Mr. Rudolph submitted that during the last three weeks prior to the deadline, Ms. Gilmour was essentially unable to do so due to her medical situation.

Mr. Rose, on behalf of the Licensing Division, made his submission that it was the applicant's responsibility to renew, that Ms. Gilmour knew of the date for renewing in 1989 and should have made arrangements to contact City Hall to let them know of her situation.

The Committee subsequently **AGREED** that Michele Gilmour's appeal to remain on the Taxi Cab Priority List be granted and that she be re-instated in the appropriate place on the Priority List as the result of documented medical evidence.

**9. New Business**

**(a) Sales to Minors**

Alderman Drury drew the Committee's attention to the practice of glue sniffing and the representative of the Law Department is to look into legislation which governs the sale of this product.

The Chairman asked what could be done under the existing legislation with regard to selling cigarettes to minors and was advised that Provincial legislation would apply.

**(b) Nevada Safeguards**

Discussion ensued on safeguards and checks for Nevada games. The Licence Division Manager said schools would be run to educate charities, tickets would be numbered in order that people would not buy at one location and use at another and suppliers in the City would not print tickets without the City's licence number.

The Chairman expressed concern that these events must be publicized in order that all charities have an opportunity to know about this fundraiser. The Chairman said a press release was to be issued in this regard.

**(c) Priority List Mailing**

The Chairman said he would like to look again at the practice of registering Priority List notices. The Licence Division Manager said that this matter was presently being reviewed and the Licence Division was considering the possibility of ceasing the practice of sending reminder notices with regard to the Taxi Priority List.

**10. Adjournment**

There being no further business, the meeting then adjourned.

Taken as read and approved.

Chairperson  
City of Hamilton Licensing Committee

Stella Glover  
Secretary  
City of Hamilton Licensing Committee

2(a)

**CITY OF HAMILTON**

**- RECOMMENDATION -**

**DATE:** 1992 March 5

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Breach of Section 26 - Provincial Terms & Conditions  
Bingo Lottery Financial Reports

**RECOMMENDATION:**

- a) That any organization which fails to submit its Bingo Financial Statement within 10 days after the conclusion of a bingo be subject to the suspension of its licence for one bingo event.
- b) That subsequent occurrences by any organization be dealt with by the Licensing Committee with a view to imposing longer periods of suspension.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

This breach of the Provincial Terms and Conditions has become a chronic problem for many organizations. At least four previous notices have been sent to the charities asking for their compliance. The filing of these reports, on time, has become even more important as Licence Division staff are required to analyze all bingo lottery events in accordance with the 6-month Enforcement Plan respecting the 20% Profit Law, to which the Committee has given approval. The Bingo Hall will be permitted to replace the cancelled bingo with another organization's event as the management is not a part of the problem.

Some municipalities have directed their Licensing Authority to suspend or revoke licences in similar situations as they also treat this as a serious problem.

3.

**CITY OF HAMILTON**  
**- RECOMMENDATION -**

**DATE:** 1992 March 3

**REPORT TO:** Mrs. Stella Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Ratification of 1992 Licences

**RECOMMENDATION:**

- a) That the attached Licence Reports respecting licence applications for the period February 3, 1992 to February 28, 1992 be formally approved.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

At the meeting of the Licensing Committee held on September 26, 1990, the members agreed that at each regular meeting of the Licensing Committee, Licence Reports will be submitted for formal ratification, notwithstanding the fact that they have been previously approved and issued.

**CITY OF HAMILTON**

**- RECOMMENDATION -**

**DATE:** 1992 March 3

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Taxicab Priority List Annual Renewal

**RECOMMENDATION:**

- a) That the attached list of 316 names of individuals who have renewed their names on the Taxicab Priority List, in accordance with By-law 89-249, be approved and the list forwarded to the Finance and Administration Committee and thence to City Council for their information.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

On August 23, 1991, a Reminder Notice was sent by ordinary mail to 296 persons on the Taxicab Priority List (368 (1990) - 72 = 296); the remaining 72 persons had paid the \$53.00 fee to renew their names on the Priority List between January 1, 1991 and August 23, 1991.

In addition to the sending of the Reminder Notices, similar Notices were posted at the three Taxi Brokerages and Taxicab Inspection Office.

As a result of the sending of the Reminder Notice on August 23, 1991 and the posting of Notices, a total of 242 persons renewed their names on the list with the payment of \$53.00. In total, 314 persons paid \$53.00 to renew their name on the Priority List.

Members of the Licensing Committee will recall that at its meetings held January 15, 1992 and February 12, 1992 granted the appeals of Frederick Neale and Michelle Gilmour respectively to have their names restored to the list. In doing so, the number of names on the current Taxicab Priority List total 316.

The list may change as the Committee deals with Taxicab Priority List appeals.

**CITY OF HAMILTON  
TAXICAB PRIORITY LIST**

**NOTE:** Plate issuances are NOT automatic for any reason.  
All applications are considered within the terms  
and conditions contained in relevant by-laws as  
enacted by Hamilton City Council.

All addresses without the name of a City/Town are located  
within the City of Hamilton.

**CITY OF HAMILTON**  
**- RECOMMENDATION -**

**DATE:** 1992 March 3

**REPORT TO:** Mrs. S. Glover  
Secretary

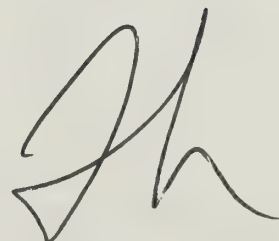

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Licence Certificate

**RECOMMENDATION:**

That the attached Licence Certificate be approved.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

We have been advised by the Law Department that Section 8 of the Licence By-law 79-323 requires that the form of the licence certificate be authorized by the Licensing Committee.

As the appointment of a new City Clerk required a change to the licence certificate and a number of other changes have been made, it is necessary that this matter be dealt with by the Committee.

The changes from 1991 licence certificate to the 1992 form are:

- 1) "LICENCE SUBJECT TO BY-LAWS GOVERNING SAME, AS MAY BE AMENDED" replaces "LICENCE SUBJECT TO BY-LAWS GOVERNING SAME"
- 2) The addition of the following: "LICENCE CERTIFICATE IS THE PROPERTY OF THE CITY OF HAMILTON"
- 3) Signature of J.J. Schatz, City Clerk

5. Probationary Drivers Update

The Committee were in receipt of a Probationary Drivers Update dated 1992 March 3 from the Manager of the Licence Division.

Mr. Jim Child declared a conflict of interest and refrained from discussion and voting in this matter.

The Licence Division Manager advised the Committee of a probationary driver who had received a conviction for sexual assault since being issued a licence for a six-month probationary period. He advised the Committee that this person was not presently driving Taxi.

After consideration the Committee agreed as follows:

- (a) That the the Cab Driver licence of Mr. Russell Rizzo be suspended and that Mr. Rizzo be given notice to attend before the Committee to show cause why his licence should not be suspended.
- (b) That the Probationary Licence Update dated 1992 March 3 be received for information.

6. Taxi Cab Priority List Annual Renewal

The Committee were in receipt of a report from the Manager of the Licence Division dated 1992 March 3 with regard to Taxi Cab Priority List Annual Renewal. The Licence Division Manager drew attention to a heading on Page 13 of the report which he requested be deleted.

The Committee subsequently agreed as follows:

- (a) That the heading "Names added after licence began list review up to and including June 28 1989" be deleted from the Taxi Cab Priority List Annual Renewal Report dated 1992 March 3.
- (b) That the following list of 316 names of individuals who have renewed their names on the Taxi Cab Priority List, in accordance with By-law 89-249, be approved and the list forwarded to the Finance and Administration Committee and then to City Council for their information.

7. Taxi Cab Priority List Appeal

The Committee were in receipt of a report from the Manager of the Licence Division dated 1992 March 3 with regard to Taxi Cab Priority List Appeal of Faye Shedletsky.

The Licence Division Manager informed the Committee that Faye Shedletsky's father had verbally advised his Department that Ms. Shedletsky wished to withdraw her appeal. However, no written confirmation of this had yet been received.

The Committee were advised that the applicant had failed to attend three hearings in this regard and that the final notice of hearing had been sent by registered letter to Faye Shedletsky.

The Committee subsequently agreed as follows:

That the Taxi Cab Priority List Appeal of Faye Shedletsky be denied.

8. Approval of New License Certificates

The Committee were in receipt of a report from the Manager of the Licence Division dated 1992 March 3 with regard to Licence Certificates and agreed as follows:

That the revised Licence Certificate attached to the Licence Division Manager's report of 1992 March 3 be approved.

9. Show Cause Hearings

At this point the Committee retired in camera to hold Show Cause Hearings during which Mr. Jim Child declared a conflict of interest and left the room during item (d). The Committee subsequently agreed as follows:

- (a) That the Flea Market Stallholder License Application of Ung Tang be granted for a six-month probationary period.
- (b) That the Cab Driver License Application of Tony R. Ritchie be granted for a one-year probationary period.
- (c) That the Salvage Dealer License Application of Reginald LaForme be tabled until Mr. LaForme's probation officer is in attendance or submits a letter.
- (d) That the Second Hand License Application of Edward Sheppard be tabled in order that Thomas W. McKerracher's name be added to the licence application and a criminal record check be carried out.
- (e) That the Tow Truck Driver License Application of Michael Joseph Magee be granted.

10. Committee Reconvenes

The Committee then reconvened in open session.

11. New Business

(a) Draft Report on Charitable Gaming Activities

The Licence Division Manager advised the Committee of a draft report on Charitable Gaming Activities which the Province licensed, regulated and controlled. He said the Licence Division were preparing a response for 1992 March 31 and they will be meeting Bingo Sponsors Associations, owners, etc. in this regard. He made the Committee aware of some areas in the report including the variable prize board concept which was proposed to be increased and would put Municipalities on an equal footing. He said he was preparing a response with regard to Bingo and in particular with break open tickets.

(b) Moving Wall

The Committee were advised that the Veterans would be bringing the moving wall, containing the names of the Vietnam Veterans, to Confederation Park in August. The License Division Manager advised the Committee that the Veterans were requesting that the expense of moving this wall in the amount of approximately \$1600.00 be paid for from the sale of Break Open Tickets. He indicated that the focus of the exhibit was to be broadened in order to make this more of interest to the whole City rather than only the Veteran's group.

After discussion the Committee agreed as follows:

That the Veterans Association be granted permission to use the proceeds from the sale of Break Open Tickets to bring the moving wall to Confederation Park in August and the funds be strictly used for moving costs.

12. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

5. Show Cause Hearings

(a) **Amusement Machines - Renewal - Karrum Amusements Ltd./Karsten Rumpt**

Mr. Charles Criminisi appeared as counsel for Karrum Amusements and requested a 3 month adjournment of this hearing in order for them to prepare and also in order that a 3 month plan which had been undertaken in co-operation with the Hamilton-Wentworth Regional Police with regard to the establishment, could be completed. Mr. Criminisi said a lot of work and meetings had been held between the Police Department and the owners. He said he would like to see the plan worked through before the Committee holds a hearing in order that they may have full particulars with regard to the operation of the establishments and the results of the plan. He said the plan was due to run from April 01 to the end of June.

The Licence Division Manager concurred with Mr. Criminisi that action was being taken to correct some of the problems. However, he said that while the problems may be beginning to be curtailed there had been a series of problems in the past, that Mr. Criminisi had received notice in February to prepare for this hearing and Mr. Dembe therefore asked that a hearing in this matter be scheduled for May. He advised the Committee that such hearing could result in a fairly extensive hearing of a 2-3 day duration and that because of problems with the facility the Licence Division had held up issuance of their licence in order that the matter could be dealt with. He said the facility was actually presently operating without a licence, although they had not been charged.

In response to concerns that the continued operation of the facility be in compliance with the City, the Licence Division Manager said some changes have already been made and that the Licence Division would not allow the facility to operate if there were any problems. In response to questions from the Committee, the Licence Division Manager advised of some of the problems being:

- (a) Billiard tables without benefit of a licence.
- (b) Number of patrons of the facility who had been involved in drug activities both inside and outside the facility, one of the past managers of the facility was involved but was no longer with the facility.
- (c) Complaints from Downtown Businessmen's Association about the facilities.
- (d) Police contacting City with regard to concerns that they had become centres for drug trafficking in the City.

Mr. Criminisi said from the owner's point of view any problems had arisen during the last calendar year mainly because of staff they should not have hired, and as soon as this was brought to their attention they terminated this employee. He said an entirely new set of employees and manager were now in place and the owner's position was that any problems had been fairly recent and that the facility had in fact operated for 15 years and licences were renewed up to the present time. He said the owners and the police were of the same view that a combined effort could alleviate the problems of the past.

Mr. Dembe advised the Committee of a serious altercation which had occurred within the facility which had involved some out of town visitors and was presently before the courts.

At this point the Committee retired in camera to deliberate.

Resuming in open session the Chairman advised the applicant that the Committee had decided to adjourn the hearing of this matter until May 11 at 6:00 p.m. at which time they would hear submissions at a formal Show Cause Hearing.

**6. In Camera**

At this point the Committee retired in camera to hold Show Cause Hearings and subsequently **AGREED** as follows:

- (a) That the Cab Driver Licence application of Warren E. Schofield be **DENIED** on the grounds of the applicant's extensive criminal record.
- (b) That the Cab Driver Licence application of Moshern Shabanian be **DENIED** on the grounds of the applicant's extensive driving record.
- (c) That the Cab Driver Licence application of Glenn Duke be **GRANTED** for a six-month probationary period.

**7. Committee Reconvenes**

The Committee then reconvened in open session.

**8. New Business**

**(a) Sherman Manor**

The Committee was in receipt of a letter of update from the Regional Public Health Department with regard to health deficiencies at Sherman Manor, 98 Sherman Avenue South. The Committee noted that an update will be available at the next Licensing Committee meeting.

**(b) Discounting**

The Committee was made aware of a large corporation which had recently received a letter from a taxi company offering incentives for their business. The Licence Division Manager advised that this matter had been reviewed by the Taxi Advisory Committee who were continuing to address the matter of discounting.

**9. Adjournment**

There being no further business, the meeting then adjourned.

Taken as read and approved.

### 3. Probationary Licence Update

The Committee was in receipt of a Private and Confidential report from the Manager of the Licence Division dated 1992 May 05 presenting an update of probationary licences.

The Committee AGREED as follows:

That the Probationary Licence Update dated 1992 May 05 from the Manager of the Licence Division be received for information.

### 4. Show Cause Hearings

- (a) Amusement Machines - Renewal - Karrum Amusements Ltd./Karsten Rumpt - 61 King Street East and 79 King Street East, L8N 1A5

The Committee was in receipt of an Agreed Statement of Facts which had been agreed to by the City and by Mr. Criminisi.

The police officers in attendance were introduced and Mr. Dembe advised that the staff recommendation in this case was to issue probationary licences to the end of the year for billiards and amusement licences and to issue an outright licence for the theatre operation. It was the Chairperson's interpretation that the statement of facts becomes a public document and this was agreed upon by Mr. Dembe. Mr. Criminisi said he would be in agreement subject to names being deleted.

Discussion ensued on whether names should be deleted and Mr. Sabo advised that all people involved would have been convicted in an open court, although the Committee was free to delete the names if they so wished. The Committee noted that these names had already been heard in a public court and AGREED as follows:

That the Statement of Fact would be taken as a public document.

Alderman Drury's objection that names should be deleted was noted.

Mr. Child advised that one of the persons named in the agreed upon Statement of Facts had been a client of his and he asked Mr. Criminisi if he had any objection to him sitting. Mr. Criminisi said he had not.

Mr. Criminisi said the Statement of Facts essentially represented the facts in the case and said he agreed with the Licence Division's recommendation that a probationary licence be issued for the arcades and billiard tables and an unconditional licence for the theatre.

The Chairperson clarified that if the Committee had reason to be concerned again they were in a position to call for a Show Cause Hearing. Mr. Dembe said minor matters which were not of particular concern to the police would be dealt with by the owners. However, matters of a major nature would be brought back to the Committee.

Mr. Criminisi submitted that this would depend upon the nature of the offence and the frequency. He said loitering would be minor while assault would be of a major nature.

Alderman Drury said he did not consider the Statement of Facts enough. He referred to the congregation outside of minors and expressed concerns and asked what steps the management would be taking to deter that activity. He said he was also worried about the practice of keeping the back doors open so that although youth may not purchase drugs on the facility they could do so close to the facility.

Mr. Criminisi said that what the licensee had done and intends to do in the future was eluded to in the Agreed Statement of Facts. He said a system has been implemented for insuring that "undesirables" and "undesirable activity" is alleviated completely.

The Chairperson asked for comment from the police officers present. However, Mr. Criminisi said this put him at a disadvantage with regard to hearing new issues beyond the Agreed Statement of Facts and suggested that the matter be dealt with at a later date if evidence was given that Mr. Criminisi felt he should address.

The Chairperson said he respected the fact that Mr. Criminisi had an agreement with the Licence Division Manager with regard to the Agreed Statement of Facts however this did not preclude the Committee from discussing other issues.

Mr. Dembe said he was convinced that the businesses had made a significant turnaround from the past to the present day operation.

The Chairperson then asked the police if they were comfortable with the agreed upon Statement of Facts to which they responded that there had been a tremendous turnaround in the last six weeks. The Committee was advised of a meeting which had taken place in March at the police station where solutions had been come up with and the owners had agreed to spend a large amount of money cleaning up, installing video cameras and keeping tapes for 30 days and making them available to the police. New staff had been hired and were working out quite well.

Mr. Child asked if off-duty police were still hired at the week-end and was told this will continue for the term of the three-month plan and will be reassessed at the end of three months to see what further steps need to be taken.

Alderman Wilson referred to Part 7 of the Statement of Facts and asked if there had previously been any licence for the operation of the billiard tables.

The police representatives said they had not been aware of this until that time and that the billiard application had been approved by the Building Department with regard to zoning and the owners had complied with all requirements. They said they would be more

comfortable that off-duty police officers remain on duty until the end of the term of the licence.

Mr. Criminisi said every step would be taken, in conjunction with the police department, to ensure that problems which occurred in the last little while would not re-occur.

The Chairperson suggested that this could be a condition which the Committee could impose upon the issuance of the licence.

Mr. Criminisi said he would do whatever was necessary to maintain the licence and that if the need for off-duty officers continued it would not be very smart for the licensee to discontinue their use.

Alderman Drury asked what kind of action the applicant would take to deter loitering and mess on the street.

Mr. Criminisi introduced Mrs. Rumpf of Karrum Amusements who advised the Committee of the number of businesses which they operated in Montreal and said that if they had known of the matters at the Hamilton property they would have done something earlier. Mrs. Rumpf said she was only aware of the copyright charges in 1989 and when they became aware of the other problems, had changed staff. She said if they had been advised earlier they would have done something earlier. Mrs. Rumpf said Karrum Amusements had 21 operations in Montreal without problem and she said she was against drugs and would do everything possible to eliminate this problem.

Mr. Criminisi referred to the back door of the property and said this was being dealt with by keeping the door closed and installing video cameras. With regard to loitering outside he said this was being handled by the management and by special duty officers who patrolled not only inside but the area outside. He said a list of problems had been drawn up and specific ways of addressing these problems had been arrived at.

Alderman Drury asked what would be done about cleaning up the littering problem.

Mr. Ellis referred to garbage and said he had instructed staff to clean it up and that this would continue.

The Committee then retired in camera to deliberate.

Reconvening in open session, the Chairperson advised the applicant that the whole Committee was concerned with the record of the operations in question and was not satisfied with the recommendation that the licences be granted through the end of the calendar year. However, the Committee was prepared to grant probationary licences through August 01 of the calendar year. He said he believed the summer time would be a critical time in proving the system put in place and, as a condition, would require that off-duty police officers continue to be on site during week-ends and would ask the applicant further to consider the use of off-duty officers during the week. He requested that the Licence Division Manager and police officers provide the Committee with monthly reports which would be monitored closely as well as any public complaints received in the meantime. The Chairperson said it was in the interest of all to have this situation cleaned up and if there was not an improvement the Committee would not look favourably upon the establishment. The Chairperson further advised that a copy of the decision be sent to the Downtown B.I.A. in order that they are aware of the decision. The Chairperson said the Committee would decide at the July meeting whether a hearing was necessary in August.

The Committee therefore AGREED as follows:

That Amusement Machine, Theatre, and Billiard Licences be granted for a probationary period through August 01, 1992 to Palace Amusement Arcade, 61 King Street East and Casino Amusement Arcade, 79 King Street East with the following conditions:

- (a) That off-duty police officers be hired during week-ends for the duration of the licence period and that consideration be given to hiring officers during week nights if appropriate.
- (b) That monthly status reports be provided to the Licensing Committee by the police and Licence Administrator.
- (c) That the Licensing Committee will closely monitor complaints in the interim.
- (d) That a copy of the Licensing Committee's decision be forwarded to the Downtown B.I.A. for their information and input.

5. Verbal Update - 98 Sherman Avenue South

The Licence Division Manager gave a verbal update on the Lodging Home at 98 Sherman Avenue South. Alderman Drury advised of another property on Proctor Boulevard which looked run down and wondered if that would be looked at. Mr. Dembe said that it would be looked into.

Mr. Dembe said additional by-law convictions were pending on the property at 98 Sherman Avenue South and the welfare of the residents was being closely monitored.

He said he would keep the Committee advised of the situation with regard to the Second Level Lodging Home.

6. Taxi Driver Conviction

Mr. Dembe advised the Committee that Robert Vacola, a cab driver, had been recently convicted of assault.

The Committee AGREED that the Cab Driver Licence of Robert Vacola be immediately suspended and a Show Cause Hearing be scheduled in this matter as soon as possible based on the recent criminal conviction of Mr. Robert Vacola for assault.

7. Information Item

Mr. Sabo circulated information on court cases for the information of the Committee.

8. In Camera

At this point the Committee retired in camera to hold Show Cause Hearings and subsequently AGREED as follows:

- (a) That the Cab Driver Licence application of John A. Steele be tabled.

- (b) That the Tow Truck Owner and Driver Licence application of Paul Corner be granted for a probationary period until 1992 December 31st.
- (c) That the Garage Licence Application of Philip Sinwaski be granted for a six-month probationary period.
- (d) That the Body Rubber Licence Application of Arlene H. Morley be granted for probationary period to expire 1992 December 31, conditional upon satisfying the Health Department requirements.
- (e) That the Cab Driver Licence Application of Gary Simpson be granted for a probationary period until 1992 December 31.

9. Committee Reconvenes

The Committee then reconvened in open session.

10. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

Alderman T. Cooke  
Chairperson  
City of Hamilton Licensing Committee

Stella Glover  
Secretary  
City of Hamilton Licensing Committee

2 (a)

**CITY OF HAMILTON**  
**- RECOMMENDATION -**

**DATE:** 1992 May 29

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Bingo Applications

**RECOMMENDATION:**

That the following organization be issued a \$3,500.00 Bingo Lottery Licence:

- (a) The Rotary Club of Ancaster A.M. Inc (Mountain Bingo) for the period of June 13, 1992 to June 27, 1992.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

This application has been approved by the Hamilton-Wentworth Regional Police as the organization qualifies as a charitable organization and meets all the requirements as to membership, game format and pricing.

At the January 9, 1991 Licensing Committee meeting, approval was given by the Licensing Committee to the issuance of bingo lottery licences where it was determined that the granting of such licences was in the best interest of the inhabitants of the City.

The charitable aims and objectives of the above referenced organization has been examined by the Licence Division and the following should be noted.

The proceeds from the operation of the bingo lottery will be used to aid the following charities in the City of Hamilton: Ronald McDonald House; Hamilton YWCA, Junior Achievement (Hamilton) and other local charities.

It is the opinion of staff that the granting of a bingo lottery licence to the above organization is in the best interests of the inhabitants of the City.

Attention: Stella Glover  
Secretary, Licensing Committee

Dear Ms. Glover:

Re: Karrum Amusements Operating Permit for 1992  
for 61 and 79 King Street East, Hamilton, Ontario

I acknowledge receipt of your letter of May 12, 1992, with respect to the decision of the Licensing Committee of May 11, 1992.

The only matter that was before the Licensing Committee in the form of a Show Cause Hearing was the Amusement Licenses. Although the Theatre and Billiard Licences were also referred to in Mr. Dembe's recommendation as set out in the agreed statement of facts, they were not the subject matter of the Hearing.

Accordingly, in our respectful opinion the Theatre and Billiard Licences should not form part of the decision of the Licensing Committee and should not be subject to the conditions set out therein.

We, therefore, request that the decision of the Licensing Committee be amended so that it only applies to the Amusement Licenses. The Theatre and Billiard Licenses would then simply be a matter for issuance by the Licensing Office.

- 2 -

Your prompt attention to this matter would be greatly appreciated.

Yours very truly,

*Charles P. Criminisi per ILY.*

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Bingo Application

**RECOMMENDATION:**

That the following organization be issued a \$3,500.00 Bingo Lottery Licence:

- (a) The Hamilton Gymnastic Academy (Delta Bingo) for the period of July 10, 1992 to December 11, 1992.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

This application has been approved by the Hamilton-Wentworth Regional Police as the organization qualifies as a charitable organization and meets all the requirements as to membership, game format and pricing.

At the January 9, 1991 Licensing Committee meeting, approval was given by the Licensing Committee to the issuance of bingo lottery licences where it was determined that the granting of such licences was in the best interest of the inhabitants of the City.

The charitable aims and objectives of the above referenced organization have been examined by the Licence Division and the following should be noted.

The Hamilton Gymnastic Academy was originally located on Ewan Road in Hamilton. As the demand for enrolment increased, they sought a new facility, but were unable to find a suitable location in the west end of Hamilton. They finally located in Ancaster to service Hamilton and the surrounding area.

The Academy provides competitive gymnastics, trampoline, recreational gymnastics and handicapped for children from Kinder Gym to 14 an 15 year old gymnasts. Of the 800 children involved at all levels, 40% of the children are from the Hamilton area. Most the children enroled in the new program for handicapped children are from Hamilton.

It is the opinion of staff that the granting of a bingo lottery licence to the above organization is in the best interests of the inhabitants of the City.

**RECOMMENDATION:**

That the following organizations be issued a \$3,500.00 Bingo Lottery Licence:

- (a) Women's Centre of Hamilton-Wentworth (Mountain Bingo) for the period of July 1, 1992 to August 12, 1992
- (b) Shair International Resource Centre (Bingo Country) for the period of July 1, 1992 to August 12, 1992

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

Members of the Committee will recall that the attached Six Month Enforcement Plan was approved and was put in place to address bingo events which do not achieve an acceptable profit level.

Following Step 2 of the Enforcement Plan, all the organizations not achieving 10% profit were notified and asked to initiate changes to increase their profitability.

An analysis covering March, April and May was carried out in accordance with Step 3 of the Enforcement Plan of any bingo events still not achieving a minimum 10% profit.

The results of the review revealed that there were eight events located in three of the five commercial bingo halls not achieving a minimum 10%. This was out of a total of 98 weekly events.

A number of meetings and discussions were held with bingo hall management about these events and staff requested voluntary withdrawal of these events.

In response to this request, the bingo hall management met privately and have voluntarily eliminated these events.

The method employed by the bingo halls was to cancel events which conflicted directly with another bingo hall's events. As an example, in one bingo hall their Saturday morning and afternoon events were not achieving acceptable profit. In order to increase the profitability of these events, another bingo hall has voluntarily cancelled its events which compete at the same time.

Because of these changes made by the bingo halls, six of the eight events previously identified as not achieving a minimum 10% profit level are being permitted to continue.

The recommendations above deal with the remaining two events where no significant changes have been made to increase profitability, but there is indication that the charities are improving their profitability to a more acceptable level. The licences are being recommended for issuance for only six weeks so that further monitoring can be undertaken.

While the Six Month Enforcement Plan has ended, monitoring of all organizations will continue to ensure acceptable profitability.

**Six Month Plan**  
**for the Enforcement of the**  
**20% Net Proceed Bingo Lottery Regulation**

Condition (16) of the Provincial Terms and Conditions contained in City of Hamilton By-law 92-006 under which the bingo lottery licence is issued states: **The total net proceeds from the bingo lottery shall be used for a charitable or religious object or purpose in Ontario and shall be not less than 20% of the gross receipts.**

1. A notice letter, dated December 18, 1991, has been sent to all bingo sponsors advising of the process towards compliance with the above condition. The sponsor (in consultation with hall management) should review the variables for the continuation or improvement of the profitability of bingo events which are: (a) the amount of the prizeboard, (b) administrative expenses, (c) date and time of the event, (d) card prices, (e) attendance and (f) hall location.
2. After two months, the Licence Division will review the performance of each bingo sponsor that has failed to comply with the 20% net proceeds regulation. A second warning letter advising charities who have not complied will be sent to all bingo sponsors requesting them to initiate changes without delay in one or more areas outlined above.

The Licensing Committee will be asked to approve further licences on a conditional basis.

3. Between three and five months, weekly monitoring of events not achieving acceptable proceeds will be undertaken. Direct contact will be made to organization officials questioning event viability and insisting that changes be made particularly to the prizeboard if changes to the other variables have proved unsuccessful.
  - (a) At five months, if the organization's events are showing improvement, a recommendation to the Licensing Committee to approve short term licences will be made, i.e. one, two or three months.
  - (b) At five months, if the organization's events are showing no improvement, a request to the charity (in consultation with the hall management) will be initiated to not apply for further licences. If there is no agreement, a recommendation will be made to the Licensing Committee to hold a show cause hearing as to why further licences should be issued.

**(b) Six Month Enforcement Plan**

The Licence Division Manager advised the Committee of the six month enforcement plan which had expired and requested that the Committee set a special meeting date at which he would present a report dealing with a number of time slots which were not making an acceptable profit. He said the halls and owners would also be given an opportunity to make submissions in this regard.

**3. 5 (d) and (e) Second Level Lodging Home**

The Committee agreed to deal with this item out of order as Mr. Murphy and various staff members were in attendance.

Mr. Murphy attended and requested an adjournment stating that he had only just returned to the City after an absence and had not been able to reach his lawyer, Mr. Sutherland. He said there would be a great deal of exhibits which he wished to introduce at a rescheduled hearing.

Mr. Rose advised the Committee that adequate notice had been sent to Mr. Murphy and that the City would therefore be opposing the adjournment. He expressed concern for the safety and welfare of the occupants of both second level lodging homes and said that as he had 3 witnesses in attendance that he was prepared to go ahead with the case that evening.

The Committee agreed to take the matter under advisement and adjourned to deliberate.

Resuming in open session, Mr. Rose was asked to expand on some of the problems at the second level lodging homes. Mr. Rose cited lack of smoke alarms, poor lighting at emergency exits and lack of maintenance on chimneys which he said were basically fire concerns. Mr. Murphy advised the Committee that anything that he had been asked to do by the Fire Department had been completed and, as of 6:00 p.m. that evening everything the Health Department had asked them to do had been done.

Mr. Rose expressed concern that there had been ongoing problems at these second level lodging homes for some period of time and that these were only attended to when a City official brought them to Mr. Murphy's attention.

In response to a question from the Chairperson, the Fire Department representative said everything had been cleaned up as far as they knew at the present time.

Mr. Murphy introduced a letter from the Health Department thanking him for rectifying the problem under the Fire Marshall's Act. It was noted that this letter was dated May 06, 1992 and was signed by Dr. Fran Scott and Michael Schuster.

The representative of the Department of Health expressed concern that the food supply at 98 Sherman Avenue North was not adequate and that checks on Monday, Tuesday and that day had revealed only enough food for 24 hours. She said some food had been brought in that day but that there was not enough meat. She said she was concerned that the food supply be replenished for the week-end.

Mr. Murphy pointed out that a two week food supply was delivered to the premises that day.

However it was pointed out to Mr. Murphy that this was an ongoing problem as he had appeared before the Health and Social Services Committee on this issue during the previous year.

When asked to provide proof of the food, Mr. Murphy said he could provide photographs and provide invoices for the food.

The Chairperson requested Ms. Nelson, of the Health Department, visit the homes on the next day and again on Monday and Thursday of the following week, to which she agreed and was advised that if a problem existed she should contact Mr. Dembe or Ms. Glover or one of the Committee as soon as possible, at which time a Committee meeting would be held.

The Fire Department representatives said the Fire Department's only concern was the basement bedroom and installation of smoke alarm.

The Committee requested that Insp. Fowler check the premises on the following day to ensure that the fire alarm was installed and working properly.

The Committee **AGREED** to grant an adjournment in this hearing until a next meeting to be held on June 17 at 6:00 p.m.

Mr. Murphy advised the Committee that he was due to be out of the country on that date and the Chairperson therefore advised him to have his representative appear.

PROVINCIAL LOTTERIES

That the city of Hamilton Approve the following Licences:

Theatre Aquarius Inc - Raffle

December 19, 1992

5. Karrum Amusements Limited (Karsten Rumpf)

(a) Status Report

The Committee was in receipt of monthly status reports from the Licence Division and the Police Department. The Licence Division Manager said he felt the two reports were an improvement over those previously submitted and felt the situation to be continuing. The Committee was advised that reports would continue to be submitted on a monthly basis.

The Committee therefore received the reports of the Licence Division and the Hamilton-Wentworth Regional Police with regard to Karrum Amusements Limited.

(b) Request to Amend Committee Decision

The Committee was in receipt of a letter of request from Mr. Charles Criminisi, Solicitor for Karrum Amusements requesting that the theatre and billiard licences not form part of the Licensing Committee's decision of May 11, 1992.

Mr. Sabo said he had looked at all the material, including the notice letter and the agreed statement of facts. He said he agreed with Mr. Criminisi that the matters of the theatre and billiard licences were not raised and therefore the decision should not have included them. However, he said that the Committee was free to consider these two licences at any time and ask for an investigation from the Licence Division.

Mr. Child said he would like to receive reports with regard to the billiard and theatre licences as well as the amusement licence.

The Committee therefore **AGREED** that the decision made by the City of Hamilton Licensing Committee of 1992 May 11 with regard to Karrum Amusements Limited be amended to delete references to the theatre and billiard parlour licences and further that reports regarding the licence of the theatre and billiard parlour located at 61 and 79 King Street East be made available to the Licensing Committee at the same time as the licence of the amusement centre is being considered.

6. Probationary Drivers Update

The Committee was in receipt of a private and confidential update with regard to probationary drivers which they received for information.

7. Show Cause Hearings

At this point the Committee retired in camera to hold show cause hearings and subsequently **AGREED** as follows:

- (a) That the cab driver licence application of **Yassine Makke** be **GRANTED FOR A THREE MONTH PROBATIONARY PERIOD**.
- (b) That the cab driver licence application of **Riccardo Mason** be **GRANTED FOR A SIX MONTH PROBATIONARY PERIOD**.
- (c) That the cab driver licence application of **Loren Lieberman** be **GRANTED FOR A SIX MONTH PROBATIONARY PERIOD**.
- (d) That the refreshment vehicle licence application of **Ken Berry** be **GRANTED**.

- (e) That the second level lodging house licence hearing of **Patrick Murphy/Murphycare** with regard to 98 Sherman Avenue South and 44 Proctor Boulevard be ADJOURNED UNTIL JUNE 17.
- (f) That the cab driver licence application of **Robert George Fennell** be GRANTED FOR A SIX MONTH PROBATIONARY PERIOD.

**8. Committee Reconvenes**

The Committee then reconvened in open session.

**9. Other Business**

**(a) Adult Entertainment Licences**

The Committee was in receipt of a letter from Ms. Beverlee Coburn, Manager of Fox's Den dated 1992 May 29 requesting that the Committee consider the possibility of pro-rating the adult entertainment licence fee from a yearly fee to a quarterly fee.

Ms. Coburn attended and advised the Committee of the benefits of a pro-rated licence.

The Licence Division Manager requested that the Committee adjourn this matter in order that he might prepare a report and further suggested that this matter be referred to the Finance and Administration Committee in whose jurisdiction the rates fall. However, the Committee requested that a report be brought back to the Licensing Committee first and suggested that such report be revenue neutral.

The Licence Division Manager agreed and requested that this report be deferred until the September meeting because of the summer months and more pressing matters. Mr. Dembe was subsequently directed to send the report, when available, to Committee members and to advise Ms. Coburn of the same in order that she could address the Committee on the recommendation of the report.

**(b) Second Level Lodging Home Operators**

The Committee was in receipt of a private and confidential memorandum from the Manager of the Licence Division dated 1992 June 10 with regard to Second Level Lodging Home Operators which they received for information.

**10. Adjournment**

There being no further business, the meeting then adjourned.

Taken as read and approved.

**The City of Hamilton Licensing Committee met.**

**There were present:** Alderman T. Cooke, Chairperson  
Alderman D. Drury  
Alderman D. Wilson  
Mr. J. Jones

**Also present:** Jack Robson, Chairperson, Bingo Sponsors Association  
Ron Sabo, Law Department  
Steve Dembe, Licence Division Manager  
Stella Glover, Licensing Committee Secretary

**1. Bingo Application**

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 June 16 with regard to Bingo Application and **AGREED** as follows:

That the Hamilton Gymnastic Academy (Delta Bingo) be issued a \$3,500.00 Bingo Lottery Licence for the period 1992 July 10 - December 11.

**2. Six Month Plan**

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 June 17 with regard to Six Month Plan for the Enforcement of the 20% Net Proceed Bingo Lottery Regulation.

Mr. Dembe advised that the report was the culmination of the six month plan. He said the hall owners, on behalf of the charities, had decided on a course of action which would make the Licence Division more comfortable at issuing licences by removing the conflict between the organizations vying for the same time slots. He said the two groups mentioned in the report were the only ones where the hall owners had taken no specific action to remove conflicts and therefore the Licence Division was recommending issuance of the licences until August 12 and would be monitored by the Licence Division staff.

Mr. Dembe said if other groups still were not at 10% he would give notice and have them brought to the August 12 meeting.

Mr. Dembe said in most cases hall owners had reduced or waived the hall rental to charities who were not making an acceptable profit.

The Committee noted that the saturation of the market through the proliferation of bingo halls was a Province wide problem and one of the reasons the Province was bringing in the variable prize board.

The Chairperson suggested that a meeting be held at the beginning of July to advise these groups of the requirements and the Committee **AGREED** as follows:

1. That the following organizations be issued a \$3,500.00 Bingo Lottery Licence for the period 1992 July 1 - August 12:
  - (a) Women's Centre of Hamilton-Wentworth (Mountain Bingo)
  - (b) Shair International Resource Centre (Bingo Country)

2. That a special meeting of the Licensing Committee be called during the next two weeks to which the groups not achieving acceptable profitability are to be invited and advised by the Committee of the need to meet the 10% profit margin.

3. 1992 Bingo Applications

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 June 23 with regard to 1992 Bingo Applications (1992 July 1 - August 12) Approvals.

Mr. Jones declared a conflict of interest with regard to #83, Rotary Club of Hamilton Mountain, and Alderman Cooke declared a conflict of interest with regard to item #118, Ontario March of Dimes.

The Committee **AGREED** as follows:

1 (a)

Tuesday, June 30, 1992  
4:00 o'clock noon  
Room 233, City Hall

The City of Hamilton Licensing Committee met:

There were present:      Alderman T. Cooke, Chairman  
                                 Alderman D. Drury  
                                 Alderman D. Wilson  
                                 Mr. J. Jones

Also present:              Mr. J. Robson, Chairman, Bingo Sponsors Association  
                                 Various Bingo Sponsors and Bingo Hall Owners  
                                 Mr. Dean Barrow, Acting Secretary

Alderman T. Cooke welcomed all present.

The purpose of the meeting was to discuss the failure of various licensed Bingo Sponsors to comply with the 20% Law regarding profits derived from bingo events. Sixteen Licensed Bingo Sponsors who were presently receiving less than 10% profit had been invited to this information meeting.

Alderman Cooke informed those present that the Licensing Committee was alarmed at the number of groups not deriving at least 10% profit and its objective was total compliance of the 20% Profit Law. All licensed bingo sponsors were given an additional 6-week licence in order to make inroads towards the 20% and failure to do so would lead to a Show Cause Hearing and possible revocation of the licence.

Jack Robson presented information on the background towards compliance with the 20% Profit Law.

In a general question and answer period, the Bingo Sponsors were informed that another charity would not be given a timeslot in which they had failed to achieve adequate profit. The Sponsors expressed their concern regarding the price war and were informed that they had the power to set card prices and formats. The Sponsors were advised that they should meet with the hall owners and initiate a program to return the card prices back to normal.

The charities were told that it was now down to six weeks and licences would be revoked, if necessary. In a Show Cause Hearing, the charity would be given a fair hearing and would have an opportunity to plead its case.

Alderman Cooke advised the Sponsors to use the Bingo Sponsors Association to assist them in meeting their objectives.

The meeting adjourned at 4:52 p.m.

Taken as read and approved.

**3. TAXICAB PRIORITY LIST - NEW APPLICANT**

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 July 7 with regard to application for entry on to the Taxicab Priority List.

City of Hamilton Licensing Committee

1992 July 22

The Committee agreed that the name of the following applicant be added to the Taxicab Priority List:

92.07.07      James Monahan      1324 Monterey Avenue South #204      545-7612

4. SHOW CAUSE HEARING

At this point the Committee retired **in camera** to hold Show Cause Hearings and subsequently agreed as follows:

- a) That the Cartage Vehicle Licence Application of Don Slater and Dorothy Auclair be denied on the grounds of Mr. Slater's extensive criminal and bad driving record.
- b) That the Tow Truck Driver Licence Application of Peter Fattore be tabled until the 1992 August 12 Licensing Committee Meeting at which time Mr. Fattore is to produce letters from his present employer, prospective employer and Parole Officer together with the Court Transcript from his 1990 April 12 court conviction.

5. COMMITTEE RECONVENES

The Committee then reconvened in open session.

6. SECOND LEVEL LODGING HOUSE - 98 SHERMAN AVENUE SOUTH AND 44 PROCTOR BOULEVARD - PATRICK MURPHY/MURPHY CARE - SHOW CAUSE HEARING

Alderman D. Wilson declared a Conflict of Interest and refrained from discussion and voting in this matter. However, Alderman Wilson was present for the purposes of a quorum.

Alderman D. Drury declared a Conflict of Interest in this matter and absented himself from the room during discussion and voting.

Mr. Murphy attended and advised the Committee that he had retained a new lawyer and requested an adjournment.

Doug Rose on behalf of the City opposed the adjournment stating that he had three witnesses present and that Mr. Murphy had been notified of this hearing on June 24 and therefore had ample time to prepare.

The Chairman ruled that the case would proceed and referred to similar requests in the past from Mr. Murphy.

Mr. Murphy asked that the hearing be set aside because he had not received disclosure from the City; however, it was noted that none of the material had changed from the previous notice.

Mr. Murphy then asked that the hearing be held **in camera** to which the Chairman responded that in his opinion this was a matter of public interest as people were in Mr. Murphy's care. However, he agreed that each witness would be heard individually while others waited outside the room.

Inspector Hunt was sworn as a witness and advised the Committee that he had been a Fire Inspector with the Hamilton Fire Department for the past five years. Inspector Hunt gave

evidence with regard to inspections carried out at 44 Proctor Blvd. on October 31 and deficiencies found. Subsequently, a Notice of Violation of Fire Code was issued dated 1991 December 18. This was entered into the record as Exhibit "1".

In response to a question, Inspector Hunt said some of these violations could be a danger to residents. As a result of non-compliance, Inspector Hunt said subsequent charges were laid and Mr. Murphy who pleaded guilty was fined \$2,000. A Certificate of Conviction was entered into the Record as Exhibit "2". Inspector Hunt advised that the deficiencies were corrected on 1992 April 24. He said he had conducted a cursory inspection that day and everything appeared fine.

In response to a question from Mr. Murphy, Inspector Hunt said that the Notice of Violation had been sent to 1390 Beaufort Drive, Burlington and served at 44 Proctor. Mr. Murphy advised that he had not lived at 1390 Beaufort Drive for three (3) years although Inspector Hunt pointed out that that was the address which appeared on the Deed for the property. Mr. Murphy maintained he had not received the notices due to the incorrect home address, and also to staff problems at the lodging home and that, when he became aware of the problems, they were rectified. He submitted Inspection Certificates and Service Reports on the property which were entered into the Record as Exhibits "A", "B" and "C".

Inspector Fuller of the Fire Department was sworn as a witness and gave evidence with regard to inspections carried out at 98 Sherman Avenue South and deficiencies found. He said two Fire Marshal's Orders and a Notice of Violation were subsequently served on William Murphy for Marie Janina Murphy at 1613 Brookbridge Drive, Burlington, with copies also sent by Registered Mail and posted on site. Copies of the Orders and Notice were entered into the Record as Exhibit "3". Inspector Fuller said the conditions at 98 Sherman Avenue South, jeopardized the safety of residents.

Mr. Murphy questioned Inspector Fuller as to why the Notices were delivered to 1613 Brookbridge Drive to which Inspector Fuller said he could not recall how he had obtained that address. Mr. Murphy then advised the Committee that there were two rooms in the basement at 98 Sherman Avenue South and that the second room was used as a bedroom. He said the room determined by the Fire Department to be a bedroom was not in fact being used as a bedroom.

In response to a question to Mr. Murphy, Inspector Fuller confirmed that his experience with Second Level Lodging Homes was limited.

Mr. Murphy then submitted two (2) Inspection Certificates with regard to fire alarms and emergency lightning which were entered into the Record as Exhibits "D" and "E".

Inspector Fuller was asked by Mr. Murphy if he had been pressured by anyone in his Department with regard to the Lodging Home and responded that he had not. He said that with the exception of the locking system on the kitchen door, he was satisfied that the Fire Safety requirements were presently being met at 98 Sherman Avenue South.

Diane Nelson, a Lodging Home Nurse with the Regional Health Department, was sworn as a witness and gave evidence with regard to visits she had made to 44 Proctor Blvd. as a matter of routine, and in response to complaints. She said the complaints included lodging home staff having to pay for food for residents out of their own money without reimbursement and on occasions a low or inadequate food supply. She also referred to complaints of lack of supervision for the residents.

Inspector Doug Rose of the Licensing Division asked Ms. Nelson what effect the fluctuating food supply would have on the diabetic resident of the the Lodging Home. Ms. Nelson said

that the wrong types of food or not enough food would have an adverse effect on a diabetic patient.

Mr. Murphy said the diabetic patient had subsequently been sent to hospital and diagnosed as having cancer and had since died. He said supervisors had petty cash on hand at all times. He said that he felt that most of the complaints came from one disgruntled staff person and asked Ms. Nelson if she had received any reports that residents were malnourished to which she responded she had not.

Mr. Murphy then introduced an article which had appeared in the Burlington Spectator which said that Halton's Health Department had found that more than half the restaurants and institutional food sampled in the previous year had failed to meet Provincial Quality Guidelines. This article was entered into the Record as Exhibit "F".

In response to a question from Mr. Murphy whether she had advised a Mr. Ray that the City was "nit-picking" in the case of Murphy Care, Ms. Nelson said she had no recollection of this although she may have used the term when referring to TV testing.

Mr. Bryan Ray was sworn as a witness and gave evidence to the fact that he was a Controller for Mr. Murphy. He said he had heard Diane Nelson use the term "nit-picking" but said this could be a matter of interpretation as to what she referred.

Mr. Ron Sabo of the Law Department asked to be allowed to ask questions with regard to some of the exhibits. Mr. Murphy challenged this request stating that he himself had not had the benefit of legal counsel; however the Chairman said that Mr. Murphy had had adequate notice in order to retain Counsel. The Chairman ruled that unless specifically called upon by the Committee or Mr. Murphy, the Committee would not hear from Mr. Sabo at that point.

Mr. Rose made his final submission that on 1991 September 11, Mr. Murphy was warned that any breaches of the By-law would result in him being brought back before the Committee. He said a probationary period had been imposed upon the Lodging Home Licence at 98 Sherman Avenue South and subsequently extended for one (1) year. He said the Committee had heard evidence on breaches of the Second Level By-Law, the Fire Marshal's act in particular, and also had heard evidence from the Lodging Home Nurse regarding fluctuating and inadequate food supplies. Mr. Rose said he believed these put the residents' safety in jeopardy. He submitted that Mr. Murphy had a bad record of compliance until officials required him to take action and submitted that both licences should be revoked.

Mr. Murphy made his final submission and disagreed with Mr. Rose. He said he had attempted to point out that requests received from the Fire Department were dealt with very quickly when the requests were delivered to the appropriate address. He referred to the inexperience by one official and he said another official had advised that it was normal to find things which were not in order at lodging homes. He said that no attempt had been made at redelivery of the Registered Letters which the Fire Department had sent despite eight pieces of mail being sent.

Mr. Murphy submitted that Diane Nelson had testified that the residents were not malnourished and he himself had introduced evidence that more than 50% of homes, institutions and restaurants in Halton could not meet quality standards. He referred to inventory taken of meat on one day and said he felt this was adequate under the Ontario Food Guide. Mr. Murphy said the same six residents had resided at the home for a large number of years. He referred to blood tests being carried out on one of the residents as the result of the request from the Lodging Home Staff and not the Health Department, because staff felt something was wrong. He said Murphy Care was one of the longest

operators of Second Level Lodging Homes and that in this very sensitive business problems would occur, which he said witnesses had said were normal. He said the Lodging Home was presently in compliance with the exception of a lock mechanism which he said was presently laying on a shelf at 98 Sherman Avenue South.

Mr. Murphy said that during the past week, officials had been encouraging residents to move out because they were told that the homes were to be sold. He referred to problems experienced with staff but said that when made aware of these problems, the staff were removed quickly. He asked if pressure was being placed on Murphy Care as the result of their pending litigation against Mr. Dembe with regard to a licence.

The Chairman referred to Mr. Murphy's statement that officials were approaching residents during the last few days and advised Mr. Murphy that this was an official from the Wellington Psychiatric Outreach Program and not with the City. The Chairman referred to a commitment made by Mr. Murphy with regard to the Lodging Homes the last time he appeared before the Committee and said the Committee had heard that evening that obviously this had not happened. He suggested that it was the responsibility of the owner and Licensee to see that there was ongoing staff looking after these residents.

Mr. Murphy said that the amount paid necessitates employing minimum wage people and referred to the turn-over of three staff persons which he said indicated that they were addressing the situation. Mr. Murphy said that staff left the property only to go to the variety store across the road.

In response to a question from the Chairman, Mr. Murphy said he was active in about five (5) rest homes and involved with twenty-three (23) other facilities. He said that the staff employed at 44 Proctor and 98 Sherman, had received Ontario Residential Long-term Courses provided by the Hamilton Psychiatric Association.

The Chairman then asked Inspector Fuller about the procedure followed when mail was returned. Inspector Fuller said the normal procedure would be to try to make telephone contact. He said copies of the order were also posted at the property.

Mr. Rose said that the only address on the Licence was the actual Lodging Home address and Mr. Barrow advised that the list on the computer in the Licence Division would show the name and telephone number of the Licensee. Mr. Murphy stated that his residential address was 1613 Brookbridge Drive, Burlington and that his office address was 2011 Lakeshore Road, Burlington.

Mr. Jim Aquila of 48 Proctor Boulevard was present as an observer and was invited by the Chairman to address the Committee. Mr. Aquila said he had lived at 48 Proctor Boulevard for eight (8) or nine (9) years and said that under Mr. Murphy's care, the property at 44 Proctor Boulevard had gone from a beautiful house to a falling apart state. Mr. Aquila said he felt the residents' care had deteriorated and referred to twelve (12) residents who had initially been at the home and whose numbers had subsequently been reduced.

Mr. Aquila said the residents had given up complaining because there were too many infractions at the Home. He referred to Mr. Murphy's daughter, the Supervisor at the Home, leaving the property for 2 - 3 hours in the evening.

Mr. Murphy advised the Committee that he had a tremendous amount of problems with Mr. Aquila. He said he had purchased the property for 12 residents and when it was subsequently reduced, he had suffered a financial loss as a result. He said he had pictures of the home at the time they had purchased it and had subsequently spent money on sandblasting, repainting, resculpturing the lawn and landscaping the property. Mr. Murphy said when his daughter left the property, the residents were left in the care of another lady.

At this point the Committee retired to deliberate.

Reconvening in open session, the Chairman then consulted with Mr. Sabo of the Law Department with regard to the options open to the Committee.

The Chairman reminded Mr. Murphy that this was not the first time that they had met, and, as he had been told on previous occasions, the Committee did not take conditions at Second Level Lodging Homes lightly. The Chairman said he was of the firm belief that in previous instances Mr. Murphy had only complied when the threat of losing the licence was over his head. He said it was not good enough to do only the minimum, and in the Committee's opinion, Mr. Murphy had not done the minimum.

The Chairman said the Committee was particularly concerned about infractions with regard to the Fire Code. He said they were also concerned about the residents and, on other previous occasions for their sake, had extended the licences upon a probationary basis to see if the quality of care would improve within the homes. As this had not occurred, and problems in the home were continuing, The Chairman advised Mr. Murphy of the decision of the Licensing Committee as follows:

- 1) That the Second Level Lodging Home Licences for 98 Sherman Avenue South and 44 Proctor Boulevard, held by Murphy Care (Patrick Murphy) be revoked effective upon the satisfactory relocation of the residents.
- 2) That the Regional Health and Social Services Committee be asked to arrange for the satisfactory relocation of the Second Lodging Home residents of 44 Proctor Boulevard and 98 Sherman Avenue South.

The Chairman said the Licensing Committee made the foregoing recommendation based primarily upon the licensee's non-compliance with the Fire Code and, in addition, on complaints by the Regional Social Services Department with regard to adequate nutrition and supervision of the residents. In response to a question from Mr. Murphy, the Chairman advised that his avenues of appeal would be to send a letter of objection to Council and thereafter his only recourse would be through a court of law.

## **7. KARRUM AMUSEMENTS LIMITED**

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 July 21 with regard to Rumpf Amusements Limited, 61 King Street East and 79 King Street East, together with monthly reports on the properties from Hamilton-Wentworth Regional Police and the Chief Licence Inspector with the City of Hamilton.

For the benefit of the Mayor and other parties present, the Chairman gave the background to this licence. He advised that at the previous hearing, the Committee made the decision to extend, on a probationary basis the licences of the two arcades and to have an Interim Report back to the Committee on a Plan of Enforcement being implemented by the Police and Licence Division, to determine whether to call a Show Cause Hearing at the next Licensing Meeting on August 12.

Mr. Rose said forty (40) inspections had been carried out by the Licence Division. He said the Management was very cooperative, the use of video cameras had been a great help, but that a number of problems still existed.

Loitering in front of the Arcade was cited by Mr. Rose as still being a concern of the Licence Division and a major concern for neighbouring properties. The situation improved when the Police were present but deteriorated when they were not there.

Police Constables James Adam and Pat Rombough of the Hamilton-Wentworth Regional Police attended and advised the Committee of the dramatic improvement at the properties when the Police were in attendance. However, when they left, the situation deteriorated. They said one of the previous problems, was the use of the back door which had improved due to the installation of a panic bar. They expressed concern that when the Police no longer attended the property the problems would reoccur.

The Committee were advised that the downtown B.I.A. did not mind the Arcades being there as long as the Police were present, but if the Police presence was discontinued, they did not want the Arcades.

Mr. Rose referred to two benches outside the Arcades which the stores had identified as a problem and which they wished to be removed.

Mayor Morrow attended and advised the Committee of complaints he had received with regard to the Arcades and the reluctance of new business to locate in the area due to the presence of the Arcades.

Mayor Morrow advised the Committee of the instance of a family from the United States being beaten up on the premises, the drug trade and the fact that at various times people were afraid to walk on that side of King Street because of the people frequenting the premises.

Mayor Morrow said he felt the reports in this matter were inadequate and did not feel his concerns had been adequately addressed in the past.

After consideration the Committee agreed as follows:

That a Show Cause Hearing be held for Rumpf Amusements Limited to show why Amusement Machine Licences should be issued to the Palace Amusement Arcade, 61 King Street East and Casino Amusement Arcade, 79 King Street East.

#### **8. PROBATIONARY DRIVERS UPDATE**

\*\*\*\*\*

TO: Stella Glover, Secretary of Licencing

FROM: Alfred Spencer, Acting Commissioner of Social Services

DATE: July 31, 1992

SUBJECT: Murphycare

\*\*\*\*\*

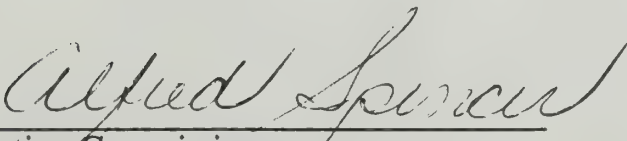

At Thursday, July 30, 1992 the Health and Social Services Committee met in Room 233 at City Hall.

An item of the agenda concerned the City of Hamilton Licence Committee recommendation of July 28, 1992 that:

"that the Second Level Lodging Home Licences for 98 Sherman Avenue South and 44 Proctor Boulevard held by Murphycare (Patrick Murphy) be revoked effective upon the satisfactory relocation of the residents."

It was determined by the Health and Social Services Committee that in order to nullify the existing Second Level Lodging Home Contract with Murphycare - 44 Proctor Boulevard an effective exact date of revocation by the Licencing Committee should be implemented.

It is therefore requested that the Licencing Committee action this request as soon as possible.

### **3. Probationary Drivers Update**

The Committee was in receipt of a Probationary Drivers Update from the Manager of the Licence Division dated 1992 August 10 which they received for information.

### **4. Show Cause Hearings**

At this point the Committee retired in camera to hold show cause hearings and subsequently AGREED as follows:

- (a) That the Cab Driver Licence application of Elwood Gallant be denied on the grounds of Mr. Gallant's extensive criminal and bad driving record.
- (b) That the Tow Truck Driver Licence application of Peter Fattore be granted for a one year probationary period.

- (c) The Committee was in receipt of a letter from Messrs. Burns, Vasan, Christmas, McLeod, Cimba requesting that the Licence application of Patricia K. Chrisanthopoulos o/a Whiskey Joe's be postponed for a brief period of time. The Committee agreed that the Billiard Licence application of Patricia Chrisanthopoulos o/a Whiskey Joe's be tabled.
- (e) That the Food Shop Licence application of Antoinette Somo be granted for a one year probationary period.

The Committee then reconvened in open session to hold Show Cause Hearings with regard to Bingo Applications.

(d) Bingo Applications

The Chairperson advised of the intended order of hearings being charities holding games at the Princess Bingo Hall, Bingo Country and Mountain.

Mr. Roy Stewart from Bingo Country requested that this item be held in camera as some of the information was confidential. However, it was pointed out that bingo reports were a matter of public information and the Chair therefore ruled that the hearing would proceed in open session in the order previously mentioned.

Representatives attended from Canadian Martyrs and Kidney Foundation with regard to a Friday bingo event at 3:30 p.m. at the Princess Bingo Hall.

Representatives of Emergency Shelter of Hamilton-Wentworth, East Mountain Baseball Association, Hamilton Theatre Inc., Boys and Girls Clubs of Ontario, Te Deum Concert Society Inc., Pilipino Canadian Club and Hamilton Olympic Club attended. Mr. Richard Birney-Smith spoke on behalf of these groups occupying the Sunday, 3:30 p.m. time slot at the Princess Bingo Hall.

Mr. Stewart submitted letters from these groups together with a letter from Shair International Resource Centre who were occupying the Saturday, 10:00 a.m. time slot at Bingo Country.

Representatives of Tele-Touch and Canadian Diabetes Association attended and spoke with regard to the Thursday, 12:00 noon time slot at the Princess Bingo Hall.

The Women's Centre of Hamilton Wentworth was represented and spoke on behalf of the time slot for Monday, 10:00 p.m. at the Mountain Bingo Hall.

Representatives of the Kinsmen Charitable Foundation and Lynden Lions Club attended and spoke on behalf of the Saturday, 1:00 p.m. Bingo Country time slot.

Women of the Moose and St. Patrick's Parish representatives spoke on behalf of the Friday, 1:00 p.m. time slot at the Mountain Bingo Hall.

Glanbrook Minor Hockey Association and Rotary Club of Dundas attended and spoke on behalf of the Sunday, 4:00 p.m. time slot at Bingo Country.

Representatives of the Elizabeth Fry Society attended and spoke on behalf of the Tuesday, 1:00 p.m. time slot at the Mountain Bingo Hall.

All groups expressed concern at the possible loss of a major means of fundraising.

The Committee was advised of the short period of time in which some of the charities had been operating and the fact that they were gradually showing an increased profit. It was noted that during the summer months a reduced number of people were playing bingo together with the effects of the recession. It was also pointed out that if groups lost this major fundraising source they would then be faced with applying to the City and Region for increased grants to replace the shortfall in funding.

Doug Rose of the Licensing Division made his submission that the groups should not be issued a bingo licence for events which were not meeting the requirements of the Lottery Licence By-law 92-006 that "not less than 20% of the total receipts shall be paid to the charitable or religious organization to whom the licence was issued". He said that the groups had had 8 months to improve.

The recession was cited as another reason for reduced numbers together with the price war.

Mr. Waugh of Bingo Country was then called upon to advise the Committee how Bingo Country operated. He said he believed that sponsors were being shut down because of a price war because of illegal activity.

Alderman Drury asked if this alleged illegal activity had been reported to the Licence Division and Mr. Dembe said that complaints had been investigated however, others had not been willing to pursue the matter. He said the Licence Division was currently addressing this situation and if they became aware of certain activities under the Criminal Code the police would be notified.

Mr. Johnson, operator of Mountain Bingo Hall, attended and said the Mountain Bingo was under the impression that they had until August 12 to get the percentages in line and had intended to reduce rents for the last 2 games in order to make up. He said he was prepared to refund rent if the charities slipped below 15% and was prepared to guarantee. He said a misunderstanding had occurred when they thought the cut-off time was August 12 and was in fact July 10. However, Mr. Dembe, the Licence Division Manager, cautioned against playing "catch up" and suggested the fairest method for groups was to take average figures.

At this point the Chairperson thanked everyone for their submissions and the Committee retired to deliberate.

Reconvening, the Chairperson advised that after much deliberation, and taking into account the dialogue of the past year with the charities in this regard, the Committee had approved the issuance of a number of licences for a probationary period for those charities which had only been operating for a short time, or were close to the requirement, in order to give them an opportunity to attain this goal. However, in the case of a few charities, the Committee determined that they had been operating for more than 6 months and had not even reached the 10% threshold, and the Committee did not feel it was a reasonable expectation that they would be able to attain the 20% requirement. It was also noted that the majority of the charities also operated bingos at other more profitable time slots.

The Licensing Committee therefore made the following recommendation with regard to bingo applications:

1. Bingo Lottery Licence applications of Canadian Martyrs and Kidney Foundation for Friday events held at 3:30 p.m. at the Princess Bingo Centre be granted for a probationary period to expire 1992 November 22.

2. That the Bingo Lottery Licence applications of Emergency Shelter of Hamilton-Wentworth, East Mountain Baseball Association, Hamilton Theatre Inc., Boys and Girls Clubs of Ontario, Te Deum Concert Society Inc., Pilipino Canadian Club and Hamilton Olympic Club for Sunday events held at 3:30 p.m. at the Princess Bingo Hall be denied.
3. That the Bingo Lottery Licence application of Shair International for Saturday events at 10:00 a.m. at the Bingo Country Hall be denied.
4. That the Bingo Lottery Licence application of Tele-Touch and Canadian Diabetes Association for Thursday events held at 12:00 noon at the Princess Bingo Hall be granted for a probationary period to expire 1992 December 31.
5. That the Bingo Lottery Licence application of the Women's Centre of Hamilton-Wentworth for Monday events held at 10:00 p.m. at the Mountain Bingo Centre be granted for a probationary period to expire 1992 October 14.
6. That the Bingo Lottery Licence applications of the Kinsmen Charitable Foundation and Lynden Lions Club for Saturday events held at 1:00 p.m. at the Bingo Country be granted for a probationary period to expire 1992 October 14.
7. That the Bingo Lottery Licence applications of the Women of the Moose and St. Patrick's Parish for Friday events held at 1:00 p.m. at the Mountain Bingo Centre be granted for a probationary period to expire 1992 October 14.
8. That the Bingo Lottery Licence applications of Glanbrook Minor Hockey Association and Rotary Club of Dundas for Sunday events held at 4:00 p.m. at Bingo Country be granted for a probationary period to expire 1992 October 14.
9. That the Bingo Lottery Licence application of the Elizabeth Fry Society for Tuesday events held at 1:00 p.m. at Mountain Bingo Centre be granted for a probationary period to expire 1992 October 14.

The Chairperson encouraged groups who had had licences denied to consider other methods of fundraising including Nevada Licences or looking at alternative time slots or repackaging of denied time slots. He said the Committee would like to work with the groups in this regard and wished them the best of luck.

(c) Bingo Licence Extensions

The Licence Division Manager advised the Committee that some of the groups who had had their licence applications recommended for denial still had a game before the recommendation would be considered by Council on August 25th. He asked the Committee to make a determination in this regard and the Committee **AGREED** as follows:

That of bingo charities who had a bingo event scheduled to take place before the Licence Committee recommendation for denial was considered by Council on August 25th, would be eligible for an extension of their licence until such time as Council revoked the same, and should make application at the Licence Division in this regard.

6. Murphycare - 44 Proctor Boulevard

The Committee was in receipt of a letter of request from the Region of Hamilton-Wentworth Social Services Committee to implement an effective exact date of revocation in order to nullify the existing Second Level Lodging Home Contract with Murphycare - 44 Proctor Boulevard.

The Committee was also in receipt of a faxed letter from Mr. Murphy stating that he had not received the notice of meeting until the morning of August 12 and would not be at the meeting due to insufficient notice being given. However, the Committee was advised of an affidavit signed by the Licensing Inspector who had personally delivered notice letters to Mr. Murphy's home and office addresses on the morning of August 10.

The Committee proceeded with the hearing and considered a suitable date for revocation of the licence. In order to allow time for the satisfactory relocation of the residents, and taking into account that City and Regional Councils would only meet once per month in September, the Licensing Committee made the following recommendation:

That the Fifth Report of the City of Hamilton Licensing Committee, adopted by City Council on 1992 July 28, be amended by deleting Section I which reads as follows:

- "1. That the Second Level Lodging Home Licences for 98 Sherman Avenue South and 44 Proctor Boulevard held by Murphycare (Patrick Murphy) be revoked effective upon satisfactory relocation of the residents."

and substituting in lieu thereof the following:

- "1. That the Second Level Lodging Home Licences for 98 Sherman Avenue South and 44 Proctor Boulevard held by Murphycare (Patrick Murphy) be revoked effective 1992 September 1."

7. Taxi Licence Priority List

The Committee was advised of a request from Patrice C. Valeriano, solicitor acting on behalf of Mr. Cosimo Balice, for an opportunity to address the Licensing Committee with

regard to Mr. Balice's request for reinstatement in his original position on the Taxi Licence Priority List.

It was noted that Mr. Balice was a late applicant and that the Licensing Committee had made a decision on May 24, 1989 to stand by its original deadline which was provided in the notice by registered letters and advertisements and would not consider applications that were received later than that deadline.

It was noted that Mr. Balice had made prior requests through his previous lawyer, Mr. Lawrence J. Cohen and through Alderman Don Ross for a hearing before the Licensing Committee. However, the Licensing Committee had denied this request.

The Committee therefore **AGREED** that Ms. Patrice Valeriano's request on behalf of Mr. Cosimo Balice for a hearing with regard to the Taxi Licence Priority List be denied and the Licensing Committee stands by its original decision of 1989 May 24 not to consider applications that were received later than the deadline provided in the notice by registered letter and advertisements.

**8. Adjournment**

There being no further business, the meeting then adjourned.

Taken as read and approved.

**CITY OF HAMILTON**  
**- RECOMMENDATION -**

**DATE:** 1992 September 3

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Provincial Discussion Paper (2nd Draft)  
Lottery Licence Terms and Conditions

**RECOMMENDATION:**

- (a) That the Licensing Committee endorse the Second Draft of the Discussion Paper on Lottery Licence Terms and Conditions.
- (b) That this recommendation be forwarded to the Finance and Administration Committee for its consideration.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

This discussion paper is a follow-up to the Ministry of Consumer and Commercial Relations initial consultation released in 1990 wherein the Gaming Services Act and a New Order-In-Council were introduced. The City of Hamilton responded at that time with general support for the Report and, in addition, submitted a number of its own recommendations.

This Draft is the second stage of the consultation process and will provide the framework for new Terms and Conditions under which charitable organizations may conduct various lottery schemes.

The highlights of this second Draft are as follows:

- 1) **Eligibility** - Decisions for all groups will be made by the Province prior to municipalities issuing a licence.
- 2) **Accountability** - Organizations will be required to keep only one designated Lottery Trust Account which must have cheque writing privileges. Two signing officers will be required and audited Financial Statements must be filed within 90 days of the year end.
- 3) **Municipal Control** - Municipalities will be given increased authority to issue licences and will have authority to set licensing quotas.

With respect to revisions to the Bingo Terms and Conditions, a number of new regulations are being proposed and are intended to address problems which have occurred within the Industry over the last several years. The problems include:

- . declining profits to charitable organizations
- . increased incidents of skimming theft and fraud
- . charities finding it increasing difficult to provide volunteers to staff events
- . increased competition among charities and the commercial sector for a piece of the charitable gaming pie
- . an inability to effectively administer existing Profit and Expense rules.

The highlights being proposed and which should be endorsed are:

- . a variable or fixed prizeboard option
- . permitting the sale of bingo cards on the floor
- . 30 minutes between events
- . use of paid workers to help in running the bingo
- . a minimum of 3 bonafide members present at each bingo event
- . super jackpots will be permitted
- . monster bingo events (\$10,000) will be allowed but will be licensed by the Province
- . pooling of bingo proceeds within a bingo hall will be permitted
- . there will be no restrictions on the number of events per day in any bingo hall
- . back to back bingos will not be permitted
- . there will be a minimum prize payout for multiple winners
- . no incentives will be permitted, but token gestures will be acceptable on special occasions

The Discussion Paper also covers Nevada (Break-open) Tickets and for the purposes of this report, the Committee should respond to new directions being proposed by the Province.

The highlights being proposed and which should be endorsed are:

- . Sales Commissions will be permitted for Third Party Locations, including Bingo Halls, provided the Third Party Location is registered under the Gaming Services Act.
- . Hall Owners can be Third Party Agents.
- . Organizations will be allowed Third Party Locations as well as being a member of a Nevada Ticket Association at a Bingo Hall
- . Sales Commissions will be set by the Entertainment Standards Branch at a percentage of gross sales or profits
- . One location per municipality

While the Discussion Paper discusses Monte Carlo Events and Raffles, the changes being proposed do not in a significant way affect the municipality's control or ability of charitable organizations to continue to conduct lottery schemes of this type and, therefore, can be generally supported.

It should be pointed out that 50/50 draws will be permitted and some incentives for ticket sellers will be allowed.

With respect to Monte Carlo Events the maximum bet will be increased to \$10.00 and payment to blackjack dealers and wheel operators will be allowed by organizations who require assistance to run their event. Rules of play will be outlined in the Gaming Services Act and there will be a set limit on the amount of money that can be spent on Administrative Expenses.

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Break-open Ticket Lotteries  
Third Party Locations

**RECOMMENDATION:**

- (a) That approval be given to the sale of Break-Open Tickets from Third Party Locations on a permanent basis,
- (b) That the Break-Open Ticket licences for the attached list of charitable organizations be approved until December 31, 1992.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

Licence Fee Revenue of approximately \$8,000.00 during Pilot Project. Future Revenue Estimates will be submitted with 1993 Budget Estimates but are expected to increase. Increased Administrative and Enforcement time will be monitored as the program expands

**BACKGROUND:**

Members of the Committee will recall that, on February 12, 1992, approval was given to a 6-Month Pilot Project for the sale of Break-Open Tickets at Third Party Locations by qualified charitable organizations.

Since the commencement of the program, 44 organizations have become involved with the majority having only obtained licences in the last 2-3 months. While staff can only base the

success of this program on a limited period of time, an analysis of the financial success would indicate that 86% of these organizations have been successful. The net result in terms of profit to the organizations has been approximately \$156,000.

Applications by new organizations wishing to become involved in this lottery scheme continue to be received. There is every indication that as organizations become aware of this fundraising tool, the program will continue to grow.

It should be noted that a small number of organizations have experienced thefts from Third Party Locations due to a lack of adequate control on the handling of tickets by staff within the retail facilities. Most of these problems have now been resolved. Steps have been taken to increase monitoring and to encourage organizations to implement tighter financial control over their lotteries.

It should also be pointed out that a small number of Third Party Locations have withdrawn from the program because of these problems and the increased workload on staff. The majority of the affected charities have found new locations.

Members of the Committee will also recall that payment to Third Party Locations by the charities is strictly prohibited. This has resulted in a reluctance on the part of some retail outlets to participate in this program.

The Entertainment Standards Branch of the Ministry of Consumer & Commercial Relations has in its discussion paper on Lottery Licensing proposed modifications to the Terms and Conditions to permit payment to Third Party Locations. This, we believe, will significantly increase the number of charities and Third Party Locations becoming involved with this type of lottery scheme.

Approval of these new Provincial Regulations expected early in the New Year, along with greater financial accountability by the charities, should result in increased profits for charities.

### 4. Probationary Drivers Update

The Committee was in receipt of a report dated 1992 August 31 from the Manager of the Licence Division with regard to probationary licences. Mr. Dembe advised the Committee that due to cutbacks the Police Department reports would be issued on a three-monthly basis instead of every month. It was also noted that a fee of \$20.00 would be charged for each search. The Committee expressed concern that if any infractions occurred during a licence holder's probationary period, they would be unaware of this for some time if reports were only provided every three months. After consideration the Committee AGREED as follows:

- (a) That the Licence Division Manager prepare a report with regard to the request of the Hamilton Regional Police to cut back probationary licence checks from one month to three months and the financial implications thereof.

- (b) That the Probationary Licence Report dated 1992 August 31 from the Manager of the Licence Division be received for information.

5. Show Cause Hearings

At this point the Committee retired in camera to hold show cause hearings and subsequently **AGREED** as follows:

- (a) That the Garage A Licence application of Mr. Steven Tatarnic be granted for a one-year probationary period.
- (b) That the Cab Driver Licence application of Mr. James Mitchener be granted for a one-year probationary period.
- (c)
  - (i) That consideration of the Billiard Licence application of Patricia K. Chrisanthopoulos (Whisky Joe's) be tabled until a decision is rendered by the Ontario Municipal Board with regard to the legality of allowing a billiard table on the premises at 1115 Fennel Avenue East, Hamilton.
  - (ii) That the Licensing Committee be provided with status reports on this matter every three months.
- (d) That consideration of the Taxi Cab Licence Renewal application of Mr. Thomas Lebrun be tabled until Mr. Lebrun furnishes the Committee with a copy of his criminal record.
- (e)
  - (i) That the show cause hearing of Karrum Amusements, Palace Amusement Arcade - 61 King Street East and Casino Amusement Arcade - 79 King Street East, be rescheduled to take place on Thursday, 1992 October 01, at 9:00 a.m. in Room 233 at City Hall.
  - (ii) That Amusement Machine Licences be issued on an interim basis until a decision is rendered in this matter.
  - (iii) That a court reporter will not be retained at the expense of the corporation. However, if the solicitors acting on behalf of Karrum Amusements wish to do this at their own expense, they would be welcome to do so.

The Committee then reconvened in open session.

6. Bingo

- (a) Provincial Discussion Paper (2nd Draft), Lottery Licence Terms and Conditions

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 September 03 with regard to Provincial Discussion Paper (2nd Draft), Lottery Licence Terms and Conditions and **AGREED** as follows:

- (i) That the Licensing Committee endorse the 2nd Draft of the Discussion Paper on Lottery Licence Terms and Conditions.
- (ii) That this recommendation be forwarded to the Finance & Administration Committee for its consideration.

(b) Changes in Format, Prices, Prizeboards

The Licence Division Chairman advised that the report in this regard listed on the agenda as "To follow" would not in fact be available because nothing had been forthcoming from the hall owners in this regard.

Mr. Falco and Mr. Parente attended on behalf of Princess Bingo Hall and advised the Committee that they perceived the problem with bingo in Hamilton was due to pricing of certain events.

The Chairman thanked Mr. Parente and Mr. Falco for attending and bringing their concerns to the attention of the Committee.

7. Break-Open Tickets (Nevada) Report

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 September 03 with regard to Break-Open Ticket Lotteries, Third Party Locations.

Alderman Cooke declared an interest with regard to this item due to his employment with the March of Dimes.

After consideration the Committee **AGREED** as follows:

- (a) That approval be given to the sale of Break-Open Tickets from Third Party Locations on a permanent basis subject to the terms and conditions which apply to the six-month trial period, attached to the report as Appendix A.
- (b) That the issuance of Break-Open Ticket Licences for the list of charitable organizations attached to the report as Appendix B, be approved until 1992 December 31.

8. Other Business

(a) Murphycare - Second Level Lodging Homes

The Licence Division Manager advised the Committee that the properties at 98 Sherman Avenue South and 44 Proctor Boulevard were no longer being operated as Second Level Lodging Homes and that regional staff were monitoring the people still in residence.

(b) Adult Entertainment Industry

Mr. Dembe referred to the direction of the Committee at its meeting of 1992 June 10 whereby he was requested to prepare a report with regard to pro-rating Adult Entertainment Licence fees. He advised that the applicant was no longer operating a business and requested that this matter be tabled.

The Committee agreed to this request.

9. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

**1. Bingo**

- (a) The Committee was in receipt of an application from the Canadian Diabetes Association and subsequently **AGREED** that the Canadian Diabetes Association, who sponsor bingo at the Princess Bingo Hall, be permitted to reduce its prize board from \$3,500 to \$3,200.
- (b) The Committee was in receipt of an application from the Hamilton Amateur Wrestling Club for a bingo event on 1992 October 12. The Committee subsequently **AGREED** that consideration of this application be deferred.

**2. Show Cause Hearing Re Palace Amusement Arcade - 61 King St. East and Casino Amusement Arcade - 79 King St. East**

Mr. Barkwell made his submission on behalf of the City requesting an adjournment and indicating his consent to a request for adjournment by Mr. Criminisi.

Mr. Barkwell said he was requesting an adjournment because background information from the police was not available. He said because of the large volume of material requested, the police would require 90 days in order to comply with the provisions of the Freedom of Information Act which protected the individuals who were mentioned in the material.

Mr. Barkwell further advised that Constable Rombough had very recently located a witness who had made serious allegations relating to the properties. He said he had been unable to provide Mr. Criminisi with this information until 4:00 p.m. on the previous afternoon and, in his view, Mr. Criminisi was entitled to an adjournment in order to properly handle this witness of whom he had been unaware until a few hours prior.

Mr. Barkwell said he was therefore requesting an adjournment until the middle of December or early January, and was prepared to consent to an adjournment based upon the surprise witness.

Mr. Criminisi expressed concern that he had not received notification until approximately September 23 that there was a problem despite repeated requests for production of documentation. He said he still had not received this documentation which he said would be relied upon at the hearing. It was his submission that the manner in which the proceeding had been carried out had been prejudicial to his client and he said he still did not have all the items required. Mr. Criminisi said his clients were being asked to "show cause" in face of certain allegations, some of which they were not even aware. As a result, he said his clients stood the risk of losing their licence because of the way the proceeding was undertaken. Therefore because of the non-disclosure, Mr. Criminisi said that all of the evidence which was to be brought before the Committee was completely inadmissible and improper.

He said his clients were based in Montreal and every time a hearing was convened they had to be brought in at great expense to them, with the resultant loss of time from their businesses. A reporter was also in attendance at the expense of his clients.

Mr. Criminisi said the City's evidence was a series of occurrence reports from the Police Department dating from 1977 to the present time. He said this was the entire history of his clients' operation although the Committee was presently addressing the issue of the licence for 1992. He maintained this would be extremely prejudicial to his clients and asked how they could respond to this without hiring a firm of private investigators to track down witnesses. He said it would also be highly irrelevant.

In May, Mr. Criminisi said, the Committee had issued a license to August 1 and he read an extract from the minutes of that meeting and referred to the spirit in which the licence was issued. He said he therefore felt the Committee should look at the way the business was operating at the present time and that it would not now be relevant to go back in years and look at 15 years of history. He said it would be necessary for the licensee to obtain a ruling from a court of law in this regard.

Summing up, Mr. Criminisi cited three concerns:

- a) The irrelevancy of evidence.
- b) Late disclosure or no disclosure.
- c) Delay expensive for his client.

He said if the Committee were to grant an adjournment, then he would ask that the licence be issued, taking into account the considerable expense incurred by clients. With regard to the evidence of the late witness, Mr. Criminisi said he could not properly respond to this. If the Committee insisted on introducing this evidence, he would then have to request an adjournment on those grounds only for a further month.

Mr. Criminisi then referred to a letter which he had written to Mr. Barkwell on September 28 in which he proposed a resolution to this situation. He also referred to surveillance tapes which his clients had instituted and which he said were available for viewing.

Upon a request from the Chairperson, Mr. Criminisi then provided details of the documents which were requested and which were not available due to the Freedom of Information and Protection of Privacy Act.

When asked by the Chairperson what he considered a reasonable timeframe for disclosure, Mr. Criminisi said at least two weeks prior to the hearing, although this would be dependent upon the length of the adjournment.

Mr. Barkwell advised the Committee that Mr. Criminisi was not entitled to some of the information which he had requested and that there was a longstanding City policy not to disclose the names of complainants.

He said Mr. Criminisi had had extensive disclosure and had had an opportunity to meet with the police and Licence Division and question them. He had been provided with the opportunity to speak to witnesses and with the essence of what the R.C.M.P. and business people had to say. Mr. Barkwell added that Mr. Criminisi could speak to these people without permission or obstruction from the City.

Mr. Barkwell said that in his view, Mr. Criminisi had sufficient disclosure to proceed with this hearing. However, in view of the late witness and the serious allegations made, he was prepared to agree to Mr. Criminisi's request for an adjournment. He said with regard to evidence of the past, the Committee was certainly entitled to request this and to hear it. He therefore submitted that the hearing should be adjourned until this evidence was available.

Mr. Criminisi made his final submission that he could speak to individual business owners but that this would be without sight of the documents.

At this point the Committee recessed to consider the submissions.

The Committee reconvened and the Chairperson advised of the Committee **DECISION**:

1. That the request for an adjournment be granted and that the Show Cause Hearing be rescheduled to take place on Friday, 1992 November 27 at 9:30 a.m. and will continue on Saturday, 1992 November 28 if necessary.
2. That the City and Applicant are to provide an opportunity for a review of evidence at least two weeks in advance of the hearing.
3. That the scope of the City and Police search be limited to the years 1989, 1990, 1991 and 1992, as the Committee considers the relevancy is with the recent past and not 14/15 years ago.

The Chairperson reconfirmed that the licence would remain in effect until a decision is rendered in this matter.

The Chairperson advised Mr. Criminisi that the issue of cost would be dealt with at the conclusion of the hearing.

## **2. Adjournment**

There being no further business, the meeting then adjourned.

Taken as read and approved.

**CITY OF HAMILTON**  
**- RECOMMENDATION -**

**DATE:** 1992 October 5

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** New Bingo Applications

**RECOMMENDATION:**

- (a) That the Licensing Committee not approve any applications for new bingo lottery events in existing bingo halls until such time as the average profitability for all organizations currently conducting bingo reaches 20%.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

According to the Financial Reports for all bingo lotteries which have been conducted since January 1, 1992, which total 3675 events, the average profit for each organization is 17.66%.

In comparison with the same time period in 1991, the average profit was 21.31% It should be noted that there were only 2607 events for the same time period last year.

Members of the Committee are aware the Provincial Law requires a minimum profit of 20% for each organization's events. It is safe to say that a large majority of the 150 organizations are currently not complying with the 20% Profit Law.

Should the Committee issue licences for any new events, it will further undermine the current bingo market which has already reached a saturation point.

Once the overall profitability is restored in compliance with the Law, it would then be appropriate to consider the opening of new bingo events.

It must be pointed out that applications by qualified charitable organizations wishing to conduct weekly bingo lottery events in facilities which are not licensed bingo parlours do not fall within the scope of the provincial moratorium on new bingo halls. As such, a church or other facility wishing to conduct a weekly or bi-weekly bingo event from its own facility is not considered a commercial hall and a licence in this case would not be contrary to the moratorium guidelines. Applications for these events should be considered on a case by case basis.

Members of the Committee will recall that at the August 12, 1992 meeting, two bingo events were recommended for cancellation. At that time a response to a question from one of the bingo hall operators was given that should a cancelled bingo event be significantly restructured (i.e. substantial lowering of prizeboard), consideration would be given to approving this event on a probationary basis. The above recommendation would not apply should such an application be received.

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Bingo Applications

**RECOMMENDATION:**

That the following organization be issued a \$3,500.00 Bingo Lottery Licence:

- (a) The St. Nicholas Ukrainian Catholic Church (Church Hall) for the period of November 13, 1992 to December 11, 1992.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

This application has been approved by the Hamilton-Wentworth Regional Police as the organization qualifies as a charitable organization and meets all the requirements as to membership, game format and pricing.

Please note that this application is for a weekly bingo to be held in its own church hall and does not, therefore, fall under the moratorium guidelines. Compliance with the Provincial 15% and 20% Laws are also required. While the licence is being recommended for issuance for 5 weeks, staff will be closely monitoring the performance of this event on a weekly basis in order to determine whether or not this is a viable event.

It must be pointed out that applications by qualified charitable organizations wishing to conduct weekly bingo lottery events in facilities which are not licensed bingo parlours do not fall within the scope of the provincial moratorium on new bingo halls. As such, a church or other facility wishing to conduct a weekly or bi-weekly bingo event from its own facility is not considered a commercial hall and a licence in this case would not be contrary to the moratorium guidelines. Applications for these events should be considered on a case by case basis.

**RECOMMENDATION:**

That Bingo Licences issued to the following organizations be extended to November 11, 1992 for these events:

- (a) Kinsmen Charitable Foundation - Saturday - 1:00 p.m. - Bingo Country
- (b) Lynden Lions Club - Saturday - 1:00 p.m. - Bingo Country

Chairman and Members  
City of Hamilton Licensing Committee

Gentlemen:

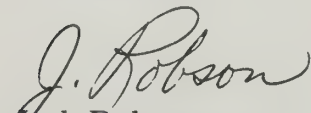

On October 6, 1992, the Bingo Sponsors Association Executive held a meeting to discuss all aspects of the Bingo Industry. As you may know, the Bingo Sponsors Association Executive is composed of two representatives of the charities from each bingo hall. The City's saturated bingo market and the prolonged bingo price war have the Executive extremely concerned particularly in light of the substantial reduction in profits for the charities.

A plan of action was presented to the members of the Executive in recognition that your Committee must work towards enforcement of the Law. As a result, the following resolutions were approved:

- (a) A general meeting of the Bingo Sponsors Association should be held whereby a resolution to eliminate the poorest performing events would be recommended and forwarded to the Licensing Committee and City Council.
- (b) That any bingo application for a new event in a commercial bingo hall not be approved. The rationale for this would be based on the likelihood that any new events will not achieve compliance with the 20% Law. This would remain in place until such time as overall profitability reaches or exceeds 20%.
- (c) That all charities through the Bingo Sponsors Association, in conjunction with all bingo hall owners, make every effort to incorporate any charity which may lose all of its bingo events into the other existing bingo events. This incorporation would begin with the new licensing period commencing January 1, 1993.

The Executive encourages the Licensing Committee to continue towards enforcement of the 20% Profit Law and to not allow the opening of any new bingo events. While the Executive realizes that the bingo community is not yet at a stage to "license to need", a sharing of existing bingo events would be fairest for all at this time.

Yours truly,

  
Jack Robson  
Chairman

**SUBJECT:** Class "C" Livery Vehicles

**BACKGROUND:**

Attached is a letter addressed to Alderman T. Cooke from Anthony Rizzuto, Vice President, Blue Line Taxi. Alderman Cooke has requested a report respecting this issue.

Members of the Committee will recall that following an extensive investigation and report, the By-law respecting Class "C" livery vehicles was repealed effective June 30, 1992. A Class "C" livery vehicle was a vehicle for hire for the transportation of school students.

It was the wish of the vast majority of the Taxi Industry that these livery vehicles which operated primarily from and by Taxicab Brokerages no longer carry students. It should be noted that there were a substantial number of documented cases whereby these livery vehicles were engaging in traditional taxicab business. It was also pointed out that this school business originally was provided by taxicabs and that more and more of the business was being given to livery vehicles for economic reasons. While it was shown that some livery drivers were able to provide a dedicated and more consistent service to the students, the Taxi Industry agreed that if livery vehicles were eliminated, it would guarantee service for all students.

When the above report was submitted, a number of other issues respecting school and transportation for the disabled were tabled so that a thorough investigation could be completed on these issues. At the time, there was concern that these transportation matters would also adversely affect the Taxi Industry. These remaining issues are complex in nature because they involve transportation businesses which are in many cases licensed and regulated through the Ministry of Transportation and Communication.

The report respecting this issue will be submitted to the Taxi Advisory Committee's next meeting to be held on October 20, 1992.

Dear Steve:

Attached, please find a letter from Blue2Line regarding Class "C" Livery Licences. Would you please prepare a report for the next meeting of the Licensing Committee.

Thanking you in advance for your cooperation in this matter.

Alderman Terry Cooke  
City of Hamilton  
71 Main Street West  
Hamilton, Ontario

Dear Alderman Cooke;

Almost a year ago the City decided to eliminate the Class C livery licenses used by the taxi industry to transport school children. The industry expressed concerns that other carriers would take business from us but were assured that a report was forthcoming which would address that possibility. The latest promised delivery date of that report, the September meeting of the Taxi Advisory committee, passed with only a promise that it would be ready for the "October or November" meeting.

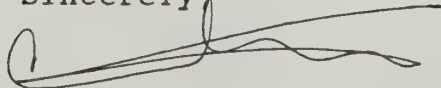

The three major areas of concern; competitors unregulated by the City, abuse of Class B licenses and specific vehicle standards, have not been dealt with as promised.

The school year has started and competitors, unlicensed by the City, are taking business from us. Instances of Class B livery licenses being used to handle taxi business have been reported, but charges have not been laid. Several of the vehicles being used to handle the DARTS overflow are well over five years old, despite the specifications of the DARTS tender. Identification does not conform to regulations. Legislation to correct these problems is still a long way off and in situations where legislation already exists, it is not being enforced.

The City should have acted quickly to prevent the predicted abuses but has spent its time apparently "gathering information". The livery issue dragged on for over five years. It is absurd that the City Licensing department is only now gathering information that should have been available years ago.

We respectfully request an airing of these issues at your committee in the hope that it will lead quickly to actual legislation and enforcement.

Sincerely,

Anthony R. Rizzuto

Hamilton, Ontario. L8N 3T4

Dear Mr. Dembe:

Re: Class "C" Livery Licence Report

At its meeting of 1992 September 15 the Taxi Advisory Committee was advised that information with regard to Class "C" Livery Licences was still being gathered and therefore the report on this matter would not be available until the Committee's October meeting.

Members of the Committee were extremely concerned at the delay in this report especially in view of the fact that the school year has already started and some vehicles were reportedly operating school trips using public vehicle licences.

The Taxi Advisory Committee therefore directed that a letter be sent to you advising of the Committee's extreme concern that the Class "C" Livery Licence report which had been promised for the September meeting had once again been delayed. The Committee also directed that you be reminded of your commitment to have this report available for the October meeting of the Taxi Advisory Committee.

Yours truly

**DATE:** 1992 October 8

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Probationary Licences Update

**BACKGROUND:**

On September 9, 1992, Licensing Staff met with Sgt. Waddle, Records Section, Hamilton-Wentworth Regional Police regarding the Licence Division's requests for criminal and driving records for all applicants.

Sgt. Waddle stated that the Records Department was going through a restructuring process and would be initiating formal procedures for the release of any information regarding criminal and driving records. Under the Municipal Freedom of Information and Protection of Individual Privacy Act, the Police must also protect the privacy of the individual and guarantee that accurate information is provided regarding driving and criminal records.

The Hamilton-Wentworth Regional Police will no longer provide driving records. Licence applicants must now provide their own driving records from the Ministry of Transportation. The Police will continue to do criminal record checks but, if the applicant has a criminal record, the applicant himself must obtain a copy of the record: fingerprints must be taken and forwarded to R.C.M.P., Ottawa.

Probationary licensees which require monthly checks of driving and/or criminal records will have to obtain a current driving record from the Ministry of Transportation at a cost of \$5.00 each. There is no charge for a local criminal record, but fingerprints must be taken for out-of-town records at a cost of \$20.00 each. Any individual bringing in a local record is no indication that there may not be other convictions throughout Canada.

On an average, there are approximately 20 probationary licensees per month of which all are checked for criminal records and of these licensees approximately 10 require monthly driving record checks. For all applicants requiring both the driving and criminal checks, if fingerprints are required, the cost will be \$25.00 a month, or \$150.00 for a 6-month period. The cost for police checks required every three months would be \$50.00.

In summary, please be advised of the following:

- (1) Under the Municipal Freedom of Information and Protection of Privacy Act, the municipality must protect the rights of the individual.
- (2) The onus is on the probationary licensee to provide accurate information with respect to driving and criminal records. Individuals must now deal directly with the Ministry of Transportation and the R.C.M.P. in Ottawa to provide the City and the Licensing Committee with accurate information.
- (3) The cost incurred to a probationary licensee is substantial when both driving and criminal records are required on a monthly basis.
- (4) This documentation cannot be provided quickly. It takes approximately one month to received an up-to-date driving abstract from the Ministry of Transportation and approximately three months to receive a criminal record from the R.C.M.P. in Ottawa.

### **3. Show Cause Hearing**

The Committee then retired in camera to hold a show cause hearing and subsequently **AGREED** as follows:

That the Cab Driver Licence application of Mr. Edward Phillips be granted for a six month probationary period.

The Committee then reconvened in open session.

#### 4. Bingo

##### (a) New Bingo Applications Report

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 October 05 with regard to New Bingo Applications. The Committee was also in receipt of a memorandum from the Law Office stating the legal implications with regard to new bingo applications.

After consideration the Committee **AGREED** to receive the report of the Licence Manager dated 1992 October 05 with regard to New Bingo Applications for information.

##### (b) Bingo Application

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 October 05 with regard to a Bingo application from St. Nicholas Ukrainian Catholic Church.

The Committee **AGREED** that a \$3,500.00 Bingo Lottery Licence be issued to the St. Nicholas Ukrainian Catholic Church (Church Hall) for the period 1992 November 13 - December 11.

##### (c) Extension of Bingo Licences.

The Committee was in receipt of reports from the Manager of the Licence Division dated 1992 October 08 and 14 with regard to Extension of Bingo Licences. After consideration the Committee **AGREED** as follows:

That Bingo Licences issued to the following organizations be extended to 1992 November 11 for these events:

- (i) Kinsmen Charitable Foundation - Saturday, 1:00 p.m. - Bingo Country.
- (ii) Lynden Lions Club - Saturday, 1:00 p.m. - Bingo Country

##### (d) Bingo Sponsors Executive

The Committee was in receipt of a report from the Bingo Sponsors Executive dated 1992 October 08 with regard to a Plan of Action which had been approved by the Executive.

The Committee agreed to receive the Bingo Sponsors Executive report dated 1992 October 08 with regard to the Bingo Industry for information.

#### 5. Show Cause Hearing

The Committee again retired in camera to hold show cause hearings and subsequently agreed as follows:

- (a) That as the result of a tie vote the Cab Driver Licence application of Mr. Thomas Lebrun be referred to Council for consideration and disposition.
- (b) That the Second Level Lodging Home Licence application of Hazel Ross/Clar-Dell Retirement Home for 185 Delaware Avenue be denied on the grounds that the

applicant is presently in non-compliance with the City's Zoning By-law 6593 as amended, in that there are presently 11 residents in the home, being a total of 2 over capacity.

At this point Alderman T. Cooke joined the meeting and took the Chair from the Vice Chairman.

- (c) That following resolution by the Health & Social Services Committee, it be recommended to Council that they give favourable consideration to the Hairdresser Licence application of Elvira Krackovic.
- (d) That the Bingo Licence of the Womens Centre of Hamilton Wentworth for Monday at 10:00 p.m. at Mountain Bingo Hall be extended until 1992 November 11, and, in the meantime, the Womens Centre representatives meet with Licence Division staff in order to look into the possibility of obtaining a Nevada Licence.

The Committee then resumed in open session.

**6. Poll of Taxi Industry Re: Student Discount**

The results of the poll of the taxi industry respecting a student discount were counted and the results announced as follows:

116 votes were cast of which 112 were against the recommendation for a 10% student taxi fare discount and 4 supported the recommendation.

**7. Probationary Licences Update**

The Committee was in receipt of an information report from the Manager of the Licence Division dated 1992 October 08 with regard to the Probationary Licences Update.

The Committee received the Probationary Licences Update report dated 1992 October 08 from the Manager of the Licence Division for information.

**8. Adjournment**

There being no further business the meeting then adjourned.

Taken as read and approved.

**DATE:** 1992 October 30

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Taxicab Priority List Annual Renewal

**RECOMMENDATION:**

- a) That the attached list of 274 names of individuals who have renewed their names on the Taxicab Priority List, in accordance with By-law 89-249, be approved and the list forwarded to the Finance and Administration Committee and thence to City Council for their information.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

On August 21, 1992, a Reminder Notice was sent by ordinary mail to 262 persons on the Taxicab Priority List (321 (1991) - 59 = 262); the remaining 59 persons had paid the \$53.00 fee to renew their names on the Priority List between January 1, 1992 and August 21, 1992.

In addition to the sending of the Reminder Notices, similar Notices were posted at the three Taxi Brokerages and Taxicab Inspection Office.

As a result of the sending of the Reminder Notice on August 21, 1991 and the posting of Notices, a total of 215 persons renewed their names on the list with the payment of \$53.00. In total, 274 persons paid \$53.00 to renew their name on the Priority List.

The list may change as the Committee deals with Taxicab Priority List appeals.

## CITY OF HAMILTON

### - INFORMATION -

**DATE:** 1992 November 3

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Policy Respecting Delegations

**BACKGROUND:**

Prior to October 1989, the Licensing Committee entertained delegations on a informal basis to outline their concerns about the operation of licensed businesses. The complainants usually stated that these businesses were breaching by-laws and operating contrary to the public interest.

In an effort to reduce the number of these delegations coming before the Committee, it was the decision of the Licensing Committee at that time that the Ward Alderman be asked to intervene or mediate any problems. If the problems could not be resolved, then the Committee would be asked to hold a Show Cause Hearing.

Recently, the Mayor's office has referred a constituent's problem about a licensed premises to the Secretary of the Committee with a view to having the complainant attend a Licensing Committee meeting. The Licence Division had not been previously contacted by anyone about this issue. When the Licence Division became aware of the complainant's concerns, he was contacted and advised that an investigation would commence. Should the problems be resolved, then a Show Cause Hearing would be unnecessary. If, however, there are breaches of the by-laws which result in court convictions, then the matter could be placed before the Licensing Committee for a Hearing.

It is generally not the Committee's function to mediate disputes as the Committee can do nothing formally without the holding of a Show Cause Hearing. It is the Licence Division function to receive complaints, investigate them and involve any departments in order to resolve the problem.

8. Taxi Cab Priority List Appeals

The Committee then adjourned in camera to discuss private and confidential Priority List appeals.

Resuming in open session the Committee **AGREED** that the five late applicants for the Taxi Cab Priority List be granted hearings at the December 09th Licensing Committee meeting.

9. Delegations

The Committee was in receipt of an information report from the Manager of the Licence Division dated 1992 November 03 with regard to Policy Respecting Delegations.

The Committee **AGREED** to receive the report of the Manager of the Licence Division with regard to the Policy Respecting Delegations for information.

10. Other Business

(a) **Taxi and Livery Vehicle Report**

The Committee was advised by the Manager of the Licence Division that the Taxi Advisory Committee had received a report in this regard and had subsequently struck a Sub-Committee. Mr. Dembe advised that a report from the Sub-Committee with regard to taxi and livery vehicles would be on the agenda for the 1992 November 17 meeting of the Taxi Advisory Committee.

(b) **Special Licensing Committee Meeting**

The Committee was reminded of the November 27th special meeting of the Licensing Committee for a Show Cause Hearing with regard to Karrum Amusements. It was noted that Alderman Drury, Alderman Cooke and Mr. Jones will be in attendance for this Hearing.

(c) **Bingo Legislation**

The Licence Division Manager informed the Committee that he had been advised that new legislation with regard to bingo would be in place by the end of the year. He said the licensing of bingo halls as a separate legal entity would be effected by this legislation.

11. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

Alderman T. Cooke  
Chairperson  
City of Hamilton Licensing Committee

Stella Glover  
Secretary  
City of Hamilton Licensing Committee

Friday, 1992 November 27  
9:30 o'clock a.m.  
Council Chamber, City

The City of Hamilton Licensing Committee met  
To Hold a Show Cause Hearing With Regard To  
Palace Amusement Arcade - 61 King Street East, Hamilton  
and Casino Amusement Arcade - 79 King Street East, Hamilton

1 (b)

There were present: Alderman T. Cooke, Chairperson  
Alderman D. Drury, Vice-Chairperson  
Mr. J. Jones

Also present: Ron Sabo, Law Office  
Peter Barkwell, Law Office  
Ms. Samantha Warren, Law Office  
Steven Dembe, Licence Division Manager  
Doug Rose, Chief Licence Inspector  
Mr. Charles Criminisi  
Mr. Karsten Rumpf  
Mrs. Tina Rumpf  
Mr. George Sand  
Const. P. Rombough, H.W.R.P.  
Const. Adams, H.W.R.P.  
Mrs. Diane Leblanc, Court Stenographer  
Mrs. Stella Glover, Licensing Committee Secretary

1. Show Cause Hearing

Mr. Criminisi asked the Committee for time to confer briefly with a witness and Mr. Barkwell. He then advised the Committee that a large number of witnesses were present and said he felt the hearing would take two full days.

Mr. Criminisi said the witness Tuan Diep had limited time available and asked that he be bound over until 9:30 a.m. the following day, to which the Chairperson agreed.

Due to the fact that much of the evidence to be heard was about individuals, conduct and character, Mr. Criminisi requested that the hearing be held in camera pursuant to the Statutory Powers and Procedures Act. Mr. Barkwell agreed to this request.

The Chairperson said the Committee was prepared to proceed in camera and requested that anyone not directly involved in the hearing leave the room.

The Committee then retired in camera and held a show cause hearing with regard to Amusement Arcade Licences held by Karrum Amusements Limited.

2. Open Session

The Committee then reconvened in open session and the Chairperson thanked everyone for the time and energy they had expended that day and for the presentations they had made. He said he appreciated efforts taken by the licensee to clean up the operation and thought that they had been sincere and diligent in trying to bring the establishments they ran in line with the Committee's expectations. However, he said he did not accept in any way that they did not have responsibility for the past performance and he had to hold them personally responsible for the fact that the establishments were mismanaged in the past.

The Chairperson then gave the Committee's decision as follows:

1. That Amusement Machine Licences be issued to Karrum Amusements Ltd. for Palace Amusement Arcade - 61 King Street East, and Casino Amusement Arcade - 79 King Street East, Hamilton, for a one-year probationary period to expire 1993 December 31.
2. That the Management Plan agreed upon by the Police, Downtown B.I.A., Licence Division and Owners continue in force and that the Licence Division report quarterly to the Licensing Committee in this regard.
3. That before any changes are made to the Management Plan they must be agreed upon by the Police, Downtown B.I.A. and Licence Division and that, if any of the forementioned parties fail to agree, the matter be brought back to the Licensing Committee.

3. Adjournment

The Chairperson then thanked everyone for their time and there being no further business, the meeting then adjourned.

Taken as read and approved.

**DATE:** 1992 December 2

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

**SUBJECT:** Adult Entertainment Parlours

**RECOMMENDATION:**

- (a) That the existing Licence Fees remain unchanged,
- (b) That the City of Hamilton's licensing procedures regarding Adult Entertainment Parlours be amended to permit the issuance of an Attendant's Licence for a 12-month period from the date of application/licence renewal, or Pro-Rate the licence fee quarterly,
- (c) That these establishments not be permitted to open on Sunday.

**FINANCIAL/STAFFING/LEGAL IMPLICATIONS:**

N/A

**BACKGROUND:**

The **Hamilton Adult Entertainment Operators Committee** have expressed three main areas of concern (letter attached):

- 1) Excessive Establishment Licence Fee (\$3,812.00)
- 2) Excessive Attendant Licence Fee (\$191.00)
- 3) Prohibitive hours of operation: not able to operate on Sunday

and have requested that the Adult Entertainment Parlours By-law 79-144 be amended.

## COMPARISON OF MUNICIPALITIES

The following comparisons of licence fees and Sunday opening for Adult Entertainment Parlour have been made with other municipalities:

Location	Establishment Lic. Fee	Manager Lic. Fee	Attendant Lic. Fee	Term	Sunday Opening
Hamilton	\$3,812	\$1,271	\$191.00	Jan-Dec	No
London	\$6,135	n/a	n/a	Jan-Dec	No
Mississauga	\$3,500	n/a	n/a	Dec-Dec	No
Brampton	\$2,000 (Fees Pro-Rated)	n/a	n/a	Jun-Nov 100% Dec-Feb 75% Mar-May 50%	No
Ottawa	\$266 (Owner-Operated)	\$146 (Manager) \$120 (Operator)	\$120	Nov-Nov	No
Burlington	\$850	n/a	\$75	12mos (App. date)	Yes
Niagara Falls:	will be recommending the following fees to City Council.				
	\$3,000	\$2,000	\$250	undecided	Yes
Windsor	\$2,431	\$2,431	\$192.63	12mos (App. date)	Yes
Metro Toronto	\$985 (6 mos)	\$985 (6 mos)	\$132 - New \$60 - Renew (App Date)		Yes

## LICENCE FEES

There are presently 4 licensed Adult Entertainment Parlours in the City of Hamilton. In 1992, the 422 licensed Attendants have been routinely checked by the Licence Inspectors and Hamilton-Wentworth Regional Police. The Licence Inspectors have conducted approximately 2000 inspections.

The City of Hamilton's Licence Fees for Adult Entertainment Parlours have been described by the Adult Entertainment Operators Committee as being excessive and restrictive.

In the comparison of the licence fees of various municipalities, the City of Hamilton's fees are most comparable to the City of Windsor. Niagara Falls is presently in the process of undertaking the licensing of Adult Entertainment Parlours and establishing appropriate licence fees, which will be similar to Hamilton. Three of the municipalities license only the establishment and, although the establishment licences have been described as high, they do not license or regulate the Attendants. The other municipalities may license the Attendants, but they do not have the enforcement and inspection procedures which presently exist in the City of Hamilton. As a result, the Licence Division must conclude that the existing licence fees for Adult Entertainment Parlours and Attendants are justified.

The Licence Division's pro-active approach to the enforcement of the By-law, which has been supported by the Hamilton-Wentworth Regional Police, has resulted in very few problems. Adult Entertainment has traditionally been a source of problems for some municipalities. For example, the Enforcement Section now lays very few charges for unlicensed attendants. Also, the Enforcement Staff continue to monitor the operation of these Adult Entertainment Parlours for any potential problems such as lap dancing and indecent theatrical performances, which are of concern to the Hamilton-Wentworth Regional Police. In September of 1992, the senior Inspectors met with representatives of the Industry to express our concerns regarding lap dancing in the City of Hamilton and to receive their concerns. Not only has this Industry been informed of a pending problem, but the Hamilton-Wentworth Regional Police has laid charges in one instance for an indecent performance. The City has been able to curtail a problem which is quite prevalent in other municipalities in Ontario.

As stated, the licensing of the Attendants is of great assistance to the police as indicated in the attached letter from Det. Sgt. G. Clue. The Investigative Services of the Vice and Drug Division, Hamilton-Wentworth Regional Police, are able to identify the entertainers and monitor them while they are in our jurisdiction. The Licence Division provides two photo identification cards to the H.W.R.P. at no cost and liaison with the Vice Section on a continuous basis.

The Operators Committee has requested a reduction in the Attendant's Annual Licence Fee of \$191.00 to \$120.00, with the fee being pro-rated monthly, subject to a minimum fee of \$50.00. Another alternative, this Committee has suggested, would be to issue a 6-month licence for \$70.00. Although the Licence Division cannot justify a reduction in the existing licence fee, it will recommend pro-rating the Attendant licence fee based on the following criteria: January-March - 100% (\$191.00); April-June - 75% (\$144.00); July-September - 50% (\$96.00); October-December - 25% (\$50.00).

## **HOURS OF OPERATION**

The Adult Entertainment Parlour Owners have requested that the By-law be amended to permit Sunday opening and enable them to compete with the surrounding communities.

City of Hamilton By-law 79-144, Part 8, Section 38, Subsection 28 a) (b), regulating Adult Entertainment Parlours, states that these parlours may not be open on Sunday. Of the eight municipalities surveyed, four municipalities permit Sunday opening and of the remaining four municipalities which do not have Sunday opening, only two, Hamilton and Mississauga restrict the hours of operation by By-law. The majority of the municipalities put the onus on the Province and the Regional Police to enforce Sunday opening regulations. For example, Burlington and Metro Toronto permit Sunday opening. The City of Hamilton's By-law would have to be amended to permit Sunday opening.

The Hamilton-Wentworth Regional Police and the City of Hamilton Enforcement Division do not endorse Sunday opening as it would impact on their work scheduling. The Police also noted that Sunday openings would have a negative impact on the area residents who would be subjected to the traffic and patrons for seven days a week.

Mr. Steven Dembe, Manager

Hamilton, Ontario

AND TO: Mr. Terry Cook, Chairman  
Licensing Committee  
City of Hamilton, City Hall  
Hamilton, Ontario  
L8N 3T4

Dear Sirs:

Re: Adult Entertainment locations in the  
City of Hamilton and the licensing  
charges and fees made by the City of Hamilton

In the past months, we the operators of the Hamilton Adult Entertainment locations have met to discuss our approach to the City concerning the charges and fees that are made and the affect that the same have upon us and our clientele.

A bit of background will be helpful:

A. Over the last six years there has been a reduction in number of adult entertainment locations from about eight such locations to the present four. The reason for the reduction is attributable to a number of concerns. The concern that we will address in this letter to you is the charge and the fee that is paid by each one of us to the City.

B. We have tried to act as a self-policing group of responsible business persons to advance our businesses in keeping with the expectations of the City and its laws. We believe that we have been reasonably successful and that a check with the local police officers will confirm the same.

C. There is a place for the services that our businesses provide within the community. We consider the fact that we benefit at least three segments of the community and those are, the City, through the employment and taxes that are generated; the individuals who work for us, who in turn, contribute to the community; and to the clients or patrons that we serve, who also are part of the community and have a right, within the laws, to the entertainment that is provided.

D. We have made ourselves available to your committee and any other responsible authority, for purposes of reviewing any problem prior to the problem becoming a concern. We have tried to respond in a timely way whenever a concern has been expressed,

whether that be through the City officials or the police or otherwise. We intend to continue in this manner. It is in our mutual best interest.

E. The concerns that we bring to you for consideration relate to a universal concern occurring within our society. The rate of taxation directly and indirectly is excessive. The form of license fees that are charged by the City and paid by us as the operators, has reached a point where we ask that you consider reviewing them and taking action.

We request that action be taken in the following form:

- a) Presently, the amount charged for the operating license for each establishment or location is \$3,852.00. Our investigation reflects that in approximately 50% of the other locations throughout the Province only a nominal fee of approximately \$20.00 is payable. It is common within the different levels of government to have a need for money and then to look around for places where that money can be obtained. The charges and fees in this regard are excessive. They are unreasonable. They are burdensome and our members find it very difficult to deal with. One must remember that there are other competing and increasing costs running at the same time. Collectively, the action of such increases drives a business person out of business. We are asking that you consider rolling this fee or charge back to \$2,000.00.
- b) Presently, the entertainers who do the dancing are required to pay a fee. That fee is \$191.00 per year. If that fee in each case ran from January to December, it may be that we could consider it to be tolerable. However, the actual course of events indicates that these entertainers are transient. They come in at different times of the year for a very short time, and therefore the cost for the operator, who ultimately must bear this cost, is excessive and unreasonable. It would be more equitable and we believe tolerable for us if this cost were changed to a reduced amount of \$120.00, with a minimum of \$50.00 applicable. By that we mean, if an application is made for a license in November, the person would be required to pay the pro-rated amount over the year, being \$10.00 per month or the minimum of \$50.00, whatever would apply for the appropriate period of time. Further, it would be a more reasonable course of action to consider issuing six-month licenses. Again, if that license were issued at \$70.00 for six months, being \$10.00 more than what usually would fall for each month in the example that is set out, it would be tolerable. To think that the cost is not shifted back to the operator and is a cost that will be carried only by the entertainer is unrealistic. As well, we request that Sunday be a permitted day of operation, from 1pm to 1am.

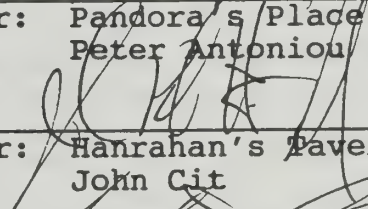

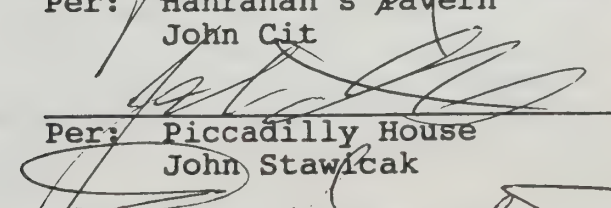

- c) Presently, the entertainers and the operators are able to function in the adjoining municipalities at a lower cost. The clientele that we serve are mobile. That is, it does not matter to them if they travel another 15 minutes and therefore are taken outside of our territory or City. It matters a great deal to us and to, we suggest, the City who benefits from the same. In fact, we are in a form of partnership just as the City is in a form of partnership with the foundries and steel companies and other businesses and industries. There has to be some reasonable balance.
- d) Going back to the point we made earlier about the cost of the individual license in regard to the entertainers and the fact that the cost is shifted to the operator ultimately, and then again to the patron or clientele. In fact, what is occurring is that the entertainer is telling us that they do not wish to work in our City because the fees are so high and the net return or salary or benefit or income to the entertainer is reduced. They are more willing to operate or work in the adjoining municipalities because their net benefit is greater. That is of concern to us and therefore must be of concern to the City.
- e) We are bringing these concerns to you because we have had a good relationship, a good flow of communication, and on the whole, we have been heard fairly. We wish to continue to be heard fairly. We are prepared to make personal representations to you. We ask that you hear us personally.

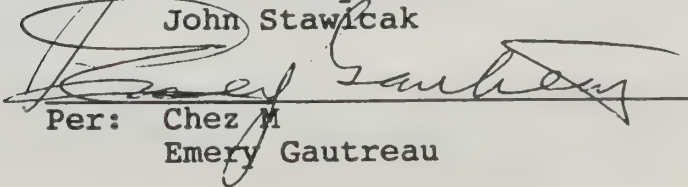

We thank you for your consideration.

Yours very truly,

SUBJECT: Adult Entertainment Parlours

The members of the Hamilton Wentworth Regional Police Vice and Drug Section regularly attend and monitor the Adult Entertainment Parlours. The actual amount of the Adult Entertainment License does not directly affect the mandate of the Vice and Drug Office.

Our members have had both favorable and unpleasant experiences in the Adult Entertainment Parlours. Having the entertainers licensed is a great advantage to our members both the identification of the entertainers and also being able to determine when they are in our jurisdiction.

I would like to get together with you regarding a possible computer program for the monitoring of the entertainers and explore what presently seems to be some duplication in our control methods.

If the Licensing Committee does allow the Adult Entertainment Parlours to open on Sunday it will impact on the Vice and Drug Office re scheduling. It will also have a negative impact on the area residents who will be subjected to the traffic and the patrons seven days a week.

Respectfully, I remain

Attention: Stella Glover, Secretary  
 City of Hamilton, Licensing Committee

Dear Madam:

Re: Karrum Amusements Ltd.  
Amusement Arcade Licenses

Further to our attendance before the Licensing Committee on Friday, November 27, 1992, I would confirm that the Licensing Committee ordered that a license issue to December 31, 1993, on certain terms and conditions. I would ask you to forward the requisite licenses immediately.

It occurred to me after the conclusion of the proceedings on November 27, 1992, that there is an outstanding issue that must be dealt with. This is the issue of my client's cost of the proceedings. You will recall that on October 1, 1992, I had requested that the City of Hamilton pay for my client's costs of preparing for and attending on the hearing of October 1, 1992. At that time, the committee decided that the costs would be dealt with at the end of the hearing. I therefore raise them at this time.

I respectfully request that my client's costs of preparation and attendance at the hearings of October 1 and November 27, 1992, be paid by the City of Hamilton for the following reasons:

- 2 -

1. Our client was successful in the Show Cause Hearing and a license was issued to December 31, 1992.
2. On September 28, 1992, we made a proposal with respect to the issuance of a license. This proposal is embodied in a letter dated September 28, 1992, a copy of which was previously filed with the Licensing Committee. You will see that our proposal was essentially in conformity with the decision of the Licensing Committee on November 27, 1992. If this proposal had been accepted on September 28, 1992, the cost of preparation for and attendance on the hearings of October 1 and November 27, 1992, would have been avoided.
3. The evidence lend by the City of Hamilton at the hearing was so weak that it was virtually unnecessary for my client to present any evidence to show cause. The evidence of Raymond Harris and Constables Rombough and Adams supported our position. The evidence of Mr. Collard was found to be completely incredible. Very little evidence was required from Mr. and Mrs. Rumpf. Although Mr. Dembe came with a recommendation that the license be revoked, he could not substantiate such recommendation. The law department of the City of Hamilton took the position that, based on the evidence, licenses should issue.
4. As a result of all of the above, our client has been put to great expense unjustly. As you know, our clients are from Montreal, Quebec, and therefore had to fly in for the hearing on numerous occasions including October 1 and November 27, 1992. Our client also paid for transportation and accommodations for three witnesses from Montreal as well as their solicitor. Furthermore, as a result of the City Solicitor's refusal to provide a copy of any statements provided by Mr. Collard, my clients were forced to hire a firm of private investigators to interview Mr. Collard as well as Tuan Diep. Of course, our client has incurred substantial legal expenses. All in all, these costs and expenses are substantial and were, with respect, unnecessary.

In conclusion, we hereby submit that the City of Hamilton should pay the costs and expenses of our clients with respect to the Show Cause Hearing. Full particulars of such costs will be

- 3 -

provided to the Committee upon request and I am prepared to attend before the Committee to make further submissions with respect to this issue.

I look forward to your early reply.

Yours very truly,

**DATE:** 1992 December 2

**REPORT TO:** Mrs. S. Glover  
Secretary, Licensing Committee

**FROM:** Mr. S. J. Dembe  
Manager, Licence Division

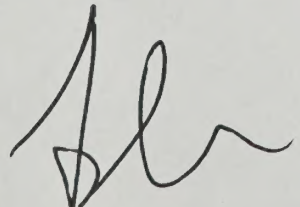

**SUBJECT:** Second Level Lodging House  
185 Delaware Avenue

**BACKGROUND:**

On November 10, 1992, City Council referred back to the Licensing Committee consideration of the above Second Level Lodging House application. The status of this application is as follows:

The Zoning By-law permits this property as a Second Level Lodging Home with a capacity of 9 persons. The Health and Fire requirements have been met. On December 1, 1992, the applicant, Hazel Rose, advised that there are 10 persons residing on the property. Previously, there were 11 persons, but one individual is in hospital. In addition, one resident has now been assessed as requiring a higher level of care and is on the Nursing Home waiting list. Another resident that was referred to previously as being extremely difficult to place is still awaiting placement through the resident's social worker.

Consideration of this application will be brought to the Committee at the January meeting when it is anticipated that the over-capacity will have been resolved.
